WASHINGTON: 1963

FR 226 226 Hampton Field

FR 326

Muskogee, Indian Territory, December 10, 1900.

Samuel W. Fields,
Arkansas, Arkansas.

Dear Sir:

The Commission is in receipt of your letter of the 24th of December, 1900, in which you state that you are claiming to your right to hold possession of a certain tract of land which your father, a non citizen, had sold to an intermarried citizen of the Choctaw Nation.

In reply thereto, the Commission would inform you that from its records you appear as a Choctaw freedman 1862, for enrollment by the Commission April 22nd, 1899, together with your wife, Mary Fields and your son, Roy Fields.

The Commission is well acquainted with the fact that you are a non citizen, and that you are not a Choctaw freedman.

It is the policy of the Commission to protect the rights of the Choctaw freedmen, and to prevent the sale of land to non citizens.

You are not a Choctaw freedman, and you are not a non citizen.

Therefore, you are not entitled to the land which you claim.

The Commission is sorry that it cannot do more for you.

Very respectfully,
The Commission.

Enclosed is a copy of the report of the Commission.

Muskogee, Indian Territory, September 8, 1901.

Hester Fields,

Ada, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a Cherokee Freedman of Helen Fields, the infant daughter of Hester and Ellen Fields, born June 2nd, 1901, and the same being in proper form has been duly filed with the records of this office and the child listed for enrollment as a Cherokee Freedman.

Yours truly,

Commissioner in Charge.

Muskogee, Indian Territory, May 20, 1903.

Wm. S. Allen,

Muskogee, Indian Territory.

Dear Sir:

Your letter of May 20th addressed to the Secretary of the Interior has been by him referred to this Commission for consideration and appropriate action. Therein you ask the status of the case of Henry Fields and his children, and state that he and his family were formerly enrolled as freedmen but that their names have been omitted from the rolls, except the three youngest boys Albert, Elmer and Hampton Fields and their families.

In reply to your letter you are advised that it appears from our records that Hampton Fields, a son of Henry Fields a citizen, his wife Elmer Fields and their children were and later Fields have been enrolled by this Commission as Choctaw Indians and their enrollment was approved by the Secretary on March 2, 1903.

You are further advised that it does not appear from our records that any applications have been made to this Commission for the enrollment of Elmer and Albert Fields as Choctaw Indians, and under the provisions of the act of Congress of July 2, 1902, which provided for the Choctaw and Chickasaw Nations September 20, 1902, the Commission is now without authority to receive or

Muskogee, Indian Territory, October 9, 1902.

Andy Cotton,

Dear Sir:

It does not appear from the records of this office that evidence of the birth of your daughter, Lelia Cotton, has been filed with the Commission. This evidence should be furnished at once as the same is necessary to determine the rights of your said daughter as a Choctaw freedman and no further action can be taken relative to her final enrollment as such until this information is supplied.

Mr. McDermie Butler,

Okfuskee, Indian Territory,

Dear Sir:

The Commission is in receipt of an application for enrollment as a citizen of the Choctaw Nation of Lillie Butler, the infant daughter of McDowney and Lena Butler. It is stated in the affidavit of the mother Lena Butler, that she is twenty one years of age and a citizen of the United States, and the lawful wife of McDowney Butler. The rights to enrollment of this child would therefore be through its father as a Choctaw Freedman, and before the Commission can further consider the application, it will be necessary for you to forward to the Commission either the original or a certified copy of the marriage license and certificate of yourself and Lena Butler. Upon the receipt of the said marriage license and certificate, the matter of the application for enrollment of your child will receive further consideration.

Yours truly,

Mr. Willie Bailey,

Janis, Indian Territory,

Dear Sir:

The Commission is in receipt of the application for enrollment as a Choctaw Freedman of Needom W. Bailey, the infant son of Mary and Willie Bailey, born July 14th, 1899. Before further consideration can be given the application for enrollment of this child, it will be necessary to identify the mother as having been listed for enrollment as a Choctaw Freedman. If she ever appeared before the Commission as an applicant for enrollment, kindly advise when, where, under what name, the names of her father and mother, and other members of her family, and any other information that may lead to her identification as having been listed for enrollment as a Choctaw Freedman. Upon receipt of the information asked for, the application for enrollment of Needom W. Bailey will receive further attention.

Dear Sir:

The Commission is in receipt of application for enrollment as a freedman of the Choctaw Nation of Aron Baitt Bailey, the minor child of William Lee and Mary Bailey, born, January 23rd, 1896. The same is returned to you herewith, for the reason that neither the mother nor the attending nurse at the birth of this child has signed the affidavit made by them. In the event that either of these parties cannot write their names and their signatures are made by mark, it will be necessary to have such signatures attested by two disinterested parties as witnesses thereto.

The Commission is unable to understand how a Notary Public taking the acknowledgment of parties to affidavits should allow such an omission as this to occur. The Notary in his return states that the affidavits have been subscribed and sworn to before him on a certain date and yet they are forwarded to the Commission without any signature to either of such affidavits. It will, therefore, be necessary that Mary Bailey and Ruthie Ann Harris to again go before Mr. Clark, the Notary taking their acknowledgments and be sworn by him before such affidavits will be admissible.

In returning the application for the enrollment of this child please inform the Commission when and where the mother made application for enrollment as Choctaw freedman, the name of her mother or any of the members of her family who made application.

the same time and any other information that may lead to her identification by this Commission.

This Commission has on record an application recently filed for Needam M. Bailey, infant son of Willie and Mary Bailey and if these are the same people who appear as the father and mother of the child for whom this application is made, please so inform the Commission.

Upon receipt of the application for the enrollment of Aron Emitt Bailey with these citations supplied, the matter will receive further consideration.

Dear Sir:

The Commission is in receipt of your letter of the 6th instant in which you state that Willie Bailey and Mary Bailey who appeared as the father and mother of Needden Bailey who was listed for enrollment by this Commission a short time ago as a Choctaw freedman, are the same parties who appear in the application for the enrollment of Aron Emitt Bailey as a Choctaw freedman.

The information contained in your letter has been made a matter of record but you have failed to return the application for the enrollment of Aron Emitt Bailey with the omissions supplied as requested in the Commission's letter of August 29th, 1900. Upon receipt of the same at this office in proper form, the matter of the application for the enrollment of this child as a Choctaw freedman will receive further consideration.

Morgan Burris,

Tanah, Indian Territory,

Dear Sir:

Receipt is hereby acknowledged of your letter of November 11, asking whether the enrollment of your mother and Ozella Liggins has been approved by the Secretary of the Interior, and whether you or her son Ed Burris will be permitted to select allotment for your mother.

In reply to your letter you are advised that it appears from our records that the name of your mother is Ruth A. Burris, and it also appears that a Ruth Ann Burris, seventy two years of age, daughter of Bill and Eliza Cole, has been enrolled by this Commission as a Choctaw freedman and her enrollment approved by the Secretary of the Interior.

Ozella Liggins and her children, Lemon Cole and Rosa, Ned and Linetta Liggins, have been enrolled by this Commission as Choctaw freedmen, and their enrollment has been approved by the Secretary of the Interior.

Relative to the selection of allotment for Ruth Ann Burris, your attention is invited to section nine of the rules and regulations governing the selection of allotments and the designation of homesteads in the Choctaw and Chickasaw nations, copy of which is

You are further advised that the affidavits relative to the birth of your child, Jether Burris, have not up to this time been received at this office, and until this evidence is received no further consideration can be given the enrollment of your child above named as a Choctaw freedman.

Dear Madam:

Receipt is hereby acknowledged of your letter of October 30, 1906, in which you state that about a month ago, you forwarded your affidavit to the birth of your child Arthenia Frasier and you ask if the same was satisfactory.

In reply to your letter you are advised that information contained therein is not sufficient to enable this office to identify Arthenia Frasier upon its records as an applicant for enrollment as a Choctaw freedman. You are advised, however, that if no application has heretofore been made for the enrollment of said child this office is now without authority to receive or consider original applications for the enrollment of children of Choctaw and Chickasaw freedmen.

Respectfully,

Charles Higgins,

Janis, Indian Territory.

Dear Madam:

In the matter of the enrollment of your daughter Rose Higgins, as a Freedman of the Choctaw Nation, it does not appear that any affidavit as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return the enclosed blank affidavit to the Commission.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the notary public before whom the affidavits are sworn to affixes his name and seal to each separate affidavit. If once any signatures are by which they must be attested by two disinterested parties, witnesses thereto.

This matter should receive your immediate attention as until this affidavit is received nothing further can be done in the matter of the enrollment of this child as a Freedman of the Choctaw Nation.

Respectfully,

Dear Sir:

There was received at this office February 28, 1903, the affidavits of Osella Liggins and Ruthan Burris relative to the birth of your minor daughter, Rosa Liggins, December 14, 1897.

New affidavits have therefore been prepared and are enclosed you herewith.

Please give this matter prompt attention, returning the affidavits when properly executed in the enclosed envelope.

Mr. Simmy Butler,

Janis, Indian Territory,

Dear Sir:

The Commission is in receipt of the application for enrollment as Choctaw Freedmen of James and Clarence Butler, the twin son of Fredonia and Simmie Butler, and the same is herewith returned to you for the reason that the Notary taking the acknowledgments of the mother and attending nurse at the birth of the child, has neglected to attach his seal to each of said affidavits; for the further reason that the affidavit of the mother should only be signed by the mother, and not by both father and mother; for the reason that one of the witnesses to the signatures by mark of the father and mother, and of Aris Coleman, the nurse, signs his name by mark. It is necessary that all signatures by mark should be attested by two disinterested witnesses who can write their own names. The application is returned to you for the further reason that the rules of the Commission require that separate applications must be made out for each child, in the case of twins. There are inclosed you herewith two blank birth certificates to be filled out and returned to the Commission instead of the one sent back to you. It is suggested that you send this letter to the Notary before whom the acknowledgments

of 10% higher and the attending nurse are taken, for his guidance in making up the new series.

Upon receipt of the required forms, certificates, etc., from your applications for admission at your own will receive further consideration.

Dear Sir:

In the matter of the enrollment of your son, Arnold Perkins, as a freedman of the Cherokee Nation, it does not appear that any affidavit as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return to the Commission the enclosed blank affidavit.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the notary public before whom the affidavits are sworn to affix his name and seal to each separate affidavit. In case any signatures are written they must be attested by two disinterested parties, witnesses thereto.

This matter should receive your immediate attention as until this affidavit is received nothing further can be done in the matter of the enrollment of this child as a freedman of the Cherokee Nation.

Dear Sir:

Receipt is hereby acknowledged of your letter of June 28, inclosing the affidavit of Ella Ligon, enrolled as Ella Butler, in the matter of the application for the enrollment of her children, Roberta and Sephus Ligon, as Choctaw freedmen, and asking what if anything can be done in support of their application.

In reply you are advised that on December 25, 1902, subsequent to the expiration of the ninety days provided by the act of Congress approved July 1, 1902, within which the Commission to the Five Civilized Tribes could receive applications for enrollment in the Choctaw and Chickasaw Nations, there were received at the post office in Muskogee, Indian Territory, the applications for the enrollment of Sephus and Roberta Liggins, as Choctaw freedmen, and it not appearing that application had been made for their enrollment prior to that time, no action has yet been taken in the matter.

The affidavit submitted by you has been filed with the the record in this case and you will be notified of such further action as may be taken.

Respectfully,

Muskogee, Indian Territory, May 8, 1906.

Box 75,

Blk, Indian Territory.

Gentlemen:

Receipt is hereby acknowledged of your letter of May 1, 1906, inclosing affidavits of Hanna Summers and Melvina Veeley to the birth of Alvie Summers, child of Jim and Hanna Summers, January 3, 1905; also affidavits of Hanna Summers and L. H. Henry to the birth of Bennie Summers, child of Jim and Hanna Summers, April 3, 1904.

You are advised that under existing legislation there is no provision for the enrollment of children of Choctaw and Chickasaw freedmen.

Respectfully,

Acting Commissioner.

Muskogee, Indian Territory, May 9, 1906.

C. B. Weeks,

Attorney at Law,

Atoka, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of May 3, 1906, relative to the enrollment of Sephus and Roberta Ligon, children of Ella Ligon enrolled as Ella Butler, as Choctaw freedmen; you state it seems under the act approved April 26, 1906, these children are entitled to enrollment and you therefore ask what steps to take in the matter.

You are advised that under the act of Congress approved April 26, 1906, there is no provision for the enrollment of children of Choctaw and Chickasaw freedmen.

You are further advised that the affidavits heretofore forwarded to the birth of Roberta and Sephus Liggins were not received at the post office at Muskogee, Indian Territory until 7:30 P. M. December 25, 1902, and under the act of Congress approved July 1, 1902, the time provided therein for the reception of applications for enrollment expired at midnight December 24, 1902.

Respectfully,

Muskogee, Indian Territory, June 12, 1906.

C. B. Weeks,

Attorney at Law,

Atoka, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of May 14, 1906, in which you state that there is no question but that application was received December 25, 1902, and that this was an application for the enrollment of certain persons not named by you within the meaning of Section 1 of the act of Congress approved April 26, 1906.

As you refer in your letter to Choctaw freedman card 352 it is believed that you refer to the affidavits forwarded this office to the enrollment of Sephus and Roberta Liggins, children of Matt and Ella Liggins, and you are advised that if you desire to contend that the receipt of these affidavits at the post office in Muskogee, Indian Territory, December 25, 1902, was an application for their enrollment within the meaning of the act of Congress approved April 26, 1906, you will be heard upon this question upon your personal appearance accompanied by Ella Liggins, mother of the applicants, notice of the time of such appearance having been served upon the attorneys for the Choctaw and Chickasaw Nations.

Respectfully,

Commissioner.

4
Washington, Indian Territory, November 18,
1907.

The Honorable,

The Secretary of the Interior.

Sir:

June 25, 1907, Former Commissioner Kirby called to the attention of the Department certain enrollment cases that were brought to his attention after March 4, 1907, in which it appeared that the applicants were probably entitled to enrollment but were not placed upon the final rolls of the tribes of which they were members, and that in view of Section 2 of the Act of Congress of April 26, 1906, there was no existing law under which they could obtain relief.

July 23, 1907 (I.T. 89748-1907), the Acting Commissioner of Indian Affairs in reporting on the matter, stated:

It appears from the Commissioner's letter that the parties mentioned therein are entitled to enrollment and that for various reasons their names were not placed on the rolls. It is recommended to be conclusively established that they are as much entitled to enrollment as any of the citizens of the tribes to which they belong, and as there is no existing law by which they can be enrolled, it is recommended that the list be preserved and that the Commissioner to the Five Civilized Tribes be requested to report on further similar cases to the end that relief may be given to all such persons as a special act of Congress. It is recommended that their names be placed on the rolls of the tribes to which they are entitled.

Very respectfully,
The Commissioner of Indian Affairs.

case of Alta Mae Bransfield. The Commissioner of Indian Affairs on August 21, 1907 (I.T. 48686-1907), forwarded this office, for report, a letter from John Bransfield, and on September 10, 1907, I.T. 48686-1907, in transmitting the report of this office on August 30, 1907, stated:

It seems that in the Bransfield, the Mitchell Adams and a few others that have come to the notice of this office, where the parties were not enrolled through no fault of their own, but through error of Government Officers, Congress should be requested to enact legislation authorizing their enrollment, and their names should be inserted in the law as was done by Section 9 of the Act of June 30, 1902 (32 Stat. L. 890), in the case of ear-ai-le-pe-so, Mary, Walter and Willie Washington, citizens of the Creek Nation.

It is recommended that the Office be authorized to advise the Commissioner to the Five Civilized Tribes on herein indicated, and request him to prepare a list giving the names of the persons whom his record show were actually entitled to enrollment and were omitted through oversight on the part of the Government, in order that the subject may be presented to Congress with a view to protecting their interests.

This recommendation was approved by the Secretary of the Interior September 11, 1907.

In accordance with these instructions I have investigated the records in the citizenship cases in the different tribes and respectfully submit the following cases which I believe come within the purview of the Department's instructions, to-wit:

ENDING IT HERE.

LET BY JULY 1, 1908 (32 Stat. 716)

Jennie Cloud,
Joe Kingfisher, case No. 7715.

Jennie Cloud, who is a fullblood Cherokee Indian, is a daughter of Alice Crittendon and Ka-lo-mahwe, she was born in the Cherokee Nation about 25 years ago, and has continuously resided therein since her birth to the present time; her name is identified upon the 1880 Cherokee Tribal roll, Colapene district, at No. 455, as Shirley Crittendon, and upon the 1894 Cherokee pay roll, Colapene district, at No. 455, as Jennie Kingfisher.

Joe Kingfisher, born about 1882, is a son of said Jennie Cloud and one Josiah Kingfisher, whose name appears opposite No. 12835 on the approved roll of Cherokee citizens, being enrolled as a fullblood. Said Joe Kingfisher resided in the Cherokee Nation continuously from his birth until his death, which occurred in 1902 or 1904. The application for the enrollment of Jennie Cloud and Joe Kingfisher was made April 15, 1902, and their case was, through an oversight, never passed upon.

Viola Granier, Case No. 8079.

Viola Granier, was born August 22, 1902, and is a child of Hubert E. Granier, whose name appears upon the approved roll of citizens by blood of the Cherokee Nation, opposite No. 2842, being enrolled as a three-fourths Indian and one-fourth Cherokee. She was a child of the Cherokee Nation from her birth to the present time. The application for her enrollment was made January 1, 1903, and on February 25, 1903, the former Commissioner rendered his decision ordering her enrolled as a citizen by blood of the Cherokee Nation. No protest against her enrollment was filed by the attorney for the Cherokee Nation, but through oversight she was not placed upon a schedule of Cherokee citizens and forwarded for departmental approval.

Maggie Hunter, case No. 1346.

Application for the enrollment of Maggie Hunter was made June 24, 1904; she is a fullblood Indian about thirteen or fourteen years of age, a daughter of Sam Hunter, whose name appears opposite No. 15002 upon the approved

roll of citizens by blood of the Cherokee Nation, and was Lydia Bower, nee Wesley, a Cherokee, who died about twelve years ago. Maggie Bower is identified upon the 1896 Cherokee Tribal roll, Tahlequah District, at No. 219, and had continuously resided in the Cherokee Nation from the time of her birth until the present time. The case of this child was not, through inadvertence, passed upon prior to the closing of the Cherokee roll.

Jim Wolfe, Case No. 10001.

This applicant, who is a full-blood Indian, made application for enrollment November 20, 1900, as a citizen by blood of the Cherokee Nation, his age being given at that time as 41 years. June 20, 1902, the Commissioner to the Five Civilized Tribes refused his application for enrollment in accordance with the provisions of the Act of May 21, 1900 (31 Stat. 221), and on September 24, 1901, said decision was approved by the Department. In November 27, 1903 (17 B. 2204-1905), on request of the Commission, the Department rescinded its decision and returned the case for readjudication. Further proceedings were had in the case September 21, 1904, and October 20, 1905. On February 21, 1907, the Commissioner rendered his decision ordering Jim Wolfe enrolled as a citizen of the Cherokee Nation of Thomas Blood. The attorney for the Cherokee Nation entered no protest against the enrollment of Jim Wolfe, but through inadvertence his name was not placed upon a schedule of Cherokee citizens and forwarded to the Department for approval.

Eli Springwater, Case No. Memo. 200.

Application for the enrollment of this applicant was made August 18, 1900. Emily A. Springwater, his mother is a white woman, and alleges that she was married to Johnnie Springwater, the father of Eli Springwater, in 1888 or 1889, and that they lived together for about three years. Other than her uncorroborated testimony, there is no evidence of the marriage of herself and Springwater, but from the information received it appears that they lived together for about three years; that the child, Eli Springwater, was born while they were living together;

that he was recognized in the community as their child, and also by his putative father, Johnson Springwater. The name of Eli Springwater cannot be identified upon any of the tribal rolls of the Cherokee Nation in the possession of this office. Johnson Springwater is identified upon the 1880 Cherokee tribal roll, Sagoyewah district, at No. 1823, and his name appears upon the approved roll of citizens by blood of the Cherokee Nation opposite No. 88726.

Commissioner Dixon in his letter of June 23, 1907, fully advised the Department in reference to the above cases, and as to the probable cause of their being overlooked.

Alta May Brasfield, case No. 6415.

Alta May Brasfield was born June 16, 1902, and is a daughter of John Brasfield, whose name appears opposite No. 18360 upon the approved roll of citizens by blood of the Cherokee Nation, and his wife, Mary Brasfield, a non citizen white woman. The first application made to the Commission to the Five Civilized Tribes was received September 1, 1904, too late under the provisions of Section 30, of the Act of July 1, 1902, to be considered. The Act of April 26, 1906 (34 Stat., 127), extended the time for the reception of applications for that enrollment to December 1, 1906, but the application for the enrollment of Alta May Brasfield, which was retained in the files of the Commission, was not discovered after the passage of the Act of April 26, until subsequent to March 4, 1907, and her name was not passed upon prior to the closing of the tribal rolls on March 4, 1907. said child is living at the present time.

CHEROKEE FURNISH NEW BORN

ACT OF APRIL 26, 1906 (34 stat., 127).

Larry Scott, New born case No. 641.

Application was received May 21, 1906, for the enrollment under the Act of April 26, 1906 of Larry Scott, born September 22, 1903, a child of Jim Scott, a citizen of the Cherokee Nation, and Mary Scott, whose name appears

upon the approved roll of Cherokee Freedmen applicants No. 3722. This child was living March 4, 1907. When this application was first received Lucy Scott was listed for enrollment on Cherokee new born card No. 2727, instead of a Cherokee freedmen new born card, it being recited in the application for the child's enrollment that its mother Mary Scott, was "a citizen by birth of the Cherokee Nation". On February 7, 1907, Commissioner Bixby ordered the transfer of the name of Lucy Scott from the Cherokee new born case to a Cherokee freedmen new born case, it being found that the mother was enrolled as a Cherokee freedman. It appears that no further action was taken looking toward the enrollment of Lucy Scott until March 4, 1907, when Mr. Bixby wired the Department as follows:

"From evidence now in my office it appears that minor Cherokee freedman applicant Lucy Scott is minor child of Mary Scott, Cherokee freedman roll number thirty-seven twenty-two, was born September twenty-one nineteen hundred three, living March four nineteen hundred six, made application within time limited by Act April twenty-six nineteen hundred six and has been listed on card number five forty-two. I recommend that said applicant, Lucy Scott be placed on minor Cherokee Freedman Roll and approved."

Fearing that the telegram would reach the Department too late, the Commissioner wired an employee then in Washington, calling his attention to the telegram, which was forwarded to him, in order to secure, if possible, the enrollment of this child. (March 4, 1907 is on card No. 1907), the Acting Secretary of the Interior notified the Commissioner that said telegram was not received in the Secretary's office until March 8, 1907, and that no further action could be taken.

CHIEF OF BUREAU.

ACTS OF MARCH 1, 1907, (21 Stat., 621),
AND MARCH 20, 1908 (35 Stat., 220).

Chisholm Mally,
Hitchely
Barney
Simon

Case No. I-4171.

April 26, 1907, Chisholm Mally appeared before the Commissioner to the Five Civilized Tribes and gave testimony in connection with the right to enrollment as citizens by blood of the Creek Nation of herself and children, Hitchely, Barney and Simon Mally, all fullblood Creek Indians. It developed that Chisholm Mally was identified upon the 1898 Creek pay roll, Ketchapatcha Town, as Chisholm, but that her enrollment upon said roll had previously been accepted, through error, as that of one Valtay Yahola, whose name appears upon the approved roll of Creek Indians opposite No. 2424. It was also found that her children above named, who are also identified on said roll, were listed for enrollment by the Commission to the Five Civilized Tribes on May 23, 1902, as Hitchell, Barney and Simon Viker, and that on February 20, 1907, the Commissioner dismissed the application for their enrollment, no information having been received to show whether or not they were living and entitled to enrollment on April 1, 1906. The names of these persons also appear upon the 1890 authenticated roll of citizens by blood of the Creek Nation on Page 123, Ketchapatcha Town, as Chisholm, Mally, Pama and Barney. The evidence shows that these people lived contemporarily all of their lives in the Cherokee Nation (among a band of Creek Indians who settled in the Cherokee Nation about the time of the outbreak of the civil war), and that they have never been enrolled or recognized as citizens of any tribe of Indians other than the Creek.

Act of April 26, 1906 (24 STAT., 127).

Salie Foster, Creek No. 270.

June 19, 1906, application was made to the Commissioner to the Five Civilized Tribes for the enrollment of Salie Foster, born January 17, 1900, as a citizen by blood of the Creek Nation under the Act of April 26, 1906. Said Salie Foster is a child of Noah Foster, whose name was identified upon the approved roll of Creek Indians opposite No. 277, and Jennetta Foster. February 27, 1907, the Commissioner rendered his decision denying the application for the enrollment of said child for the

reason that sufficient information was not secured to determine whether or not said Jennette Foster was a Creek citizen, or whether or not she and Noah Foster were married. Said decision was, on that date, forwarded to the Department. March 4, 1907, the parents of this child appeared before the Commissioner and gave testimony in the matter of its enrollment, from which it was found that the child's mother is enrolled upon the approved roll of Creek citizens opposite No. 3907, as Jennette Johnson, and on that day the Commissioner wired the Department as follows

"Referring to Creek New Born case of Hallie Foster transmitted on February twenty-seven, nineteen hundred seven together with decision denying for insufficient evidence the parents of said child have this evening appeared and from their testimony, mother is identified as Jennette Johnson opposite Creek Indian Roll No. thirtynine hundred seven. I therefore recommend that name of said Hallie Foster be this day placed upon Creek New Born schedule and approved. Child one year old. Sex female. blood full, card no. three hundred seventy."

Fearing that the telegram would reach the Department too late, the Commissioner wired his employe then in Washington, calling his attention to the telegram, which was quoted him in order to secure, if possible, the enrollment of this child. The telegram probably not having reached the Department until after March 4, 1907, the Department, on that date (I.T.D. 7830-1907), affirmed the Commissioner's decision.

Robert Bullocks, Creek freedmen New Born.

The mother of Robert Bullocks is Serena Bullocks, who, with her other children, Bessie Harris, Minnie Vincent and Lou Willie Bullocks, were first enrolled as Chickasaw freedmen, opposite Nos. 1693, 1694, 1698 and 1700, respectively, upon a schedule of Chickasaw freedmen approved by the Department December 12, 1902. The name of Robert Bullocks appears upon a schedule of Chickasaw freedmen approved by the Department October 15, 1903, opposite No. 4318. Serena Bullocks having elected to have herself and children enrolled as Creek freedmen, Commissioner Bixby transmitted to the Department on October 28, 1903, the record of proceedings had in the matter of their application for

enrollment as Creek freedman, and expressing the opinion that they were clearly entitled to enrollment as Creek freedmen, recommended that their enrollment as Chickasaw freedmen be cancelled, and stated that when such action was taken "a decision regarding them as Creek freedmen will be rendered." He also stated that there was, at the time of his report, no authority of law for the enrollment of the minor child, Robert Bullocks, as a citizen of the Creek Nation, and recommended that his enrollment at No. 4518 upon the final roll of Chickasaw freedmen be permitted to stand.

Forwarding the report to the Department on September 14, 1906, (Land 38437-1906), the Commissioner of Indian Affairs concurred in the recommendation of Commissioner Ditty October 21, 1906, (I. E. D. 7388-1906), the Department remanded the case to the Commissioner for reconsideration in accordance with the law existing at that time.

January 21, 1907, the Commissioner again forwarded the record to the Department and concluded his report as follows:

"If the said Robert Bullocks was living March 4, 1906, then he is a person entitled to make application for enrollment under the provisions of said Section (2 of Act of April 26, 1906), and in my opinion his application made August 28, 1903, should be considered as a continuing application requiring action therein in the light of said Section 2 of the Act of April 26, 1906.

I have therefore notified the mother of said Robert Bullocks, who is a minor, that if she desires the said Robert Bullocks to be enrolled as a Creek freedman, it is imperative that she immediately furnish proof that he was living March 4, 1906. In the event that such proof is furnished, I will prepare and transmit a decision similar to the decision transmitted herewith, containing an order cancelling his enrollment as a Chickasaw freedman, and will also transmit with said decision a corrected schedule containing the name of Robert Bullocks.

In the event such proof is not furnished, and he is not enrolled as a Creek freedman, his enrollment as a Chickasaw freedman should, of course, be allowed to stand.

In forwarding the report to the Department the Indian Office on February 21, 1907, (Land 38437-1907) concurred in the recommendation of the Commissioner and on February 27, 1907, (I. E. D. 878-1907), the Department approved the enrollment of Robert Bullocks, George H. H. Vincent and Lou Willie Bullocks as Creek freedmen, and granted authority for the cancellation of their names from the

roll of Chickasaw freedmen. Their names appear upon the final roll of Creek freedmen opposite Nos. 5694 and 5697, inclusive.

From affidavits executed by Serena Bullocks February 8, 1907, and Mary Bullocks February 9, 1907, it is shown that said Robert Bullocks was born September 19, 1901, and was living on March 4, 1906. These affidavits apparently reached the Commissioner too late to report the same to the Department and secure the enrollment of this child as a Creek Freedman now born and have his name stricken from the Chickasaw freedman roll. Before this child is enrolled as a citizen of the Creek Nation, proper authority should be secured for the cancellation of his name at No. 4316 from the approved roll of Chickasaw freedmen. No application for the cession of an allotment of land in the Choctaw or Chickasaw Nation for said Robert Bullocks has been made.

MISSISSIPPI CHOCTAWS.

ACTS OF JUNE 26, 1898 (30 STAT., 495),
AND JULY 1, 1902 (32 STAT., 641).

Maggie Wickey, (now John),
Billy Wickey,
Sam Wickey,
Bettie Russell Wickey,
Mollie Mass Wickey.

These applicants were embraced in the Mississippi Choctaw application of Nancy Wickey made at Meridian, Mississippi, April 28, 1901, for the identification of herself and said children, and also for her child, Lemaie Wickey, who died in the year 1901, as Mississippi Choctaw. Said Nancy Wickey was identified as a fullblood Mississippi Choctaw May 17, 1904. September 12, 1904, the Commissioner to the Five Civilized Tribes denied her identification as

fullblood Mississippi Choctaw of the above named children, and said decision was approved by the Department December 13 1904 (I.T.D. 12330-1904).

January 12, 1907 (I.T.D. 92-1907), the Department ordered a rehearing in the matter of the application of said Maggie Niskey, and on March 4, 1907, Commissioner Nixby wired the Department as follows:

"Referring to Departmental letter of January twelfth, nineteen seven (I.T.D. eighty-two nineteen seven), ordering rehearing in application of Maggie Niskey, now Maggie John, for identification as Mississippi Choctaw, sufficient evidence has been received by me today to identify this applicant as fullblood Mississippi Choctaw, and such action has accordingly been taken on this date by me. Sufficient evidence is also on file with this office showing bona fide settlement within Choctaw-Chickasaw country. Recommend that her name be placed on schedule of identified Mississippi Choctaws and also on final roll of Mississippi Choctaws and approved by you today. Maggie Niskey is twenty years old, removed to Choctaw-Chickasaw country in February nineteen hundred three, and submitted proof of settlement on February fifth, nineteen seven. Her name appears on Mississippi Choctaw card number nine hundred seventeen."

"March 13, 1907 (I.T.D. 8210-1907), the Department advised the Commissioner that as the telegram was not received until March 8, 1907, "it is not considered that the Department has now the authority to place said Maggie Niskey, or Maggie John, upon the roll of Mississippi Choctaws."

On March 4, 1907, the Commissioner rendered his decision refusing the application of Maggie Niskey for identification, she having died too soon to be entitled to such identification, and granted the application for the identification of said Maggie, Billy, Sam, Bettie, Russell and Nellie Mae Niskey as fullblood Mississippi Choctaws. The Commissioner advised the Department of this action on March 6, 1907, and stated that

"Considering, however, the fact that but a few hours remained before the closing of the rolls of citizenship no action was taken as to the ratification of said parties as to their identification for the reason that the said Billy, Sam and Niskey are residents of Paulding, Mississippi, Bettie Russell Niskey of Nacoll, Mississippi, and Nellie Mae Niskey of Sylwanna, Mississippi, and it would have

been impossible for them to have removed to and settled within the Choctaw-Chickasaw country and submitted proof thereof, as required by Section 41 of the Act of Congress approved July 1, 1906 (34 Stat., 641), within time for their enrollment to have been approved by you on March 4, 1907.

March 16, 1907 (I.T.D. 5010-1907), the Department in reply to the Commissioner's letter, stated that it had no authority to further act in the case.

I believe that authority should be granted for the placing of the name of Maggie Nicky upon the final roll of Mississippi Choctaws, and that upon her compliance with the law, a final allotment of land be given her. As to the other applicants first named, I believe that a reasonable time, say six months, should be given them within which to establish a bona fide residence in the Choctaw-Chickasaw country, and that upon the proof of such settlement they be enrolled as Mississippi Choctaws, and upon their compliance with the law as related to Mississippi Choctaws, they be given final allotments of land in the Choctaw-Chickasaw country.

Clemogene Farve,
Elisabeth Farve,

On February 27, 1907, (I.T.D. 4712, 4764, 4770, 5164 5238, 5432-1907, 1808-1906, 4224-1907), the Department reversed the decisions of the Commission, and the Commissioner to the Five Civilized Tribes, dated March 30, 1904, and December 31, 1906, respectively, rejecting the applications of Clemogene and Elisabeth Farve, among others, for identification as Mississippi Choctaws, and ordered said applicants identified as such. In accordance with said decision the Commissioner, on March 2, 1907, reversed his decision identifying these applicants as fullblood Mississippi Choctaws. Said applicants were notified on March 2, 1907, of their identification as Mississippi Choctaws and advised of what action was necessary on their part to protect their rights. It is apparent that said applicants did not have time to remove to, and make settlement in the Choctaw-Chickasaw country, and to make proof of such settlement within the time to have their enrollment approved by March 4, 1907.

Salie Charles,
Ninnie Charles,
Nettie Charles,
Louisa Charles,
James Charles.

On February 20, 1907, (I.T.D. 1904-1907), the Department, in accordance with an approved opinion of the Assistant Attorney General dated February 16, 1907, directed the Commissioner to identify the above named applicants as Mississippi Choctaw Indians. The Commissioner's decision in conformity with said direction, was rendered February 23, 1907. These applicants live in Leake County Mississippi and they did not have sufficient time after their identification within which to remove to and settle in the Choctaw-Chickasaw country and make proof of such settlement in time to secure their enrollment by March 4, 1907.

CHOCTAW AND CHICKASAW CITIZENS.

ACT OF JULY 1, 1902 (32 Stat., 641).

Mary King, Choctaw by Blood.

Application was received by the Commission to the Five Civilized Tribes on December 20, 1902, for the enrollment of Mary King, born September 17, 1902, and living September 28, 1903, who is a child of Jesse King, whose name appears upon the approved roll of Choctaw citizens opposite wa. 10776, and Alice King, nee Nicholas, whose name appears opposite Choctaw roll No. 9237. This application was received too late under the Act of July 1, 1902 for the child to have been enrolled when the application for it was received.

Reius Shields,
Barney Shields, Chickasaw by blood.

Applications for the enrollment as citizens by blood of the Chickasaw Nation were received by the Commission to the Five Civilized Tribes on December 31, 1902, for Reius Shields, born January 10, 1900, and on October 12, 1904, for Barney Shields, born October 1, 1901. These applicants are the children of Simon and Mandy Shield (Shields), whose names appear opposite Nos. 637 and 253, respectively, upon the approved roll of citizens by blood of the Chickasaw Nation, and were living September 25, 1902.

Gilbert McKinney, Choctaw freedman.

Application was received on March 10, 1903, for the enrollment of this applicant as a Choctaw freedman. He was born September 2, 1900, and was living September 25, 1902, and is the child of Heling McKinney, whose name appears opposite No. 5636 upon the approved roll of Choctaw freedmen. The enrollment of Heling McKinney with his other four minor children was approved by the Department March 4, 1907, but the applicant, Gilbert McKinney, whose case was embraced in that of his father and sisters, was not enrolled. The Commissioner advised the Department in reference to this case in his letter of June 28, 1907 herein above referred to.

Lena Dunford, Choctaw freedman

Application was received December 25, 1902, for the enrollment of Lena Dunford, born December 10, 1895, and who was living September 25, 1902, as a Choctaw freedman. Lena Dunford is a child of Terry Dunford, whose name appears opposite No. 3403 upon the approved roll of Choctaw freedmen, and Louisa Dunford, nee Hicks, to whom Terry Dunford was married about 1891 or 1892.

Della Chester, Choctaw freedman.

December 22, 1902, there was received an application for the enrollment of Della Chester as a Choctaw freedman.

Said Della Chester was born May 1, 1902, was living September 25, 1902, and is a child of Hester Chester, whose name appears opposite No. 372 upon the approved roll of Choctaw freedmen.

Martha Ann Owens,
Henry Owens, Choctaw freedmen.

Applications were received December 29, 1902, by the Commission to the Five Civilized Tribes for the enrollment of Martha Ann Owens, born November 18, 1899, and Henry Owens, born January 26, 1902, and who were living September 25, 1902. These applicants are the minor children of Tom and Charlotte Owens, whose names appear opposite Nos. 2779 and 2780, respectively, upon the approved roll of Choctaw freedmen.

Sephus Liggins,
Reberta Liggins, Choctaw freedmen.

Applications for the enrollment of these children appear to have been received at the postoffice in Muskogee Indian Territory, on December 25, 1902, and at the office of the Commission to the Five Civilized Tribes on December 26, 1902. There is, however, a note placed upon the applications for their enrollment to the effect that they were "received December 25, 1902", but the question as to whether or not they were received within the time limited by the Act of July 1, 1902, was never determined by the Commission. They are the minor children of Ella Butler, whose name appears opposite No. 727 upon the approved roll of Choctaw freedmen; they were born July 12, 1900 and April 26, 1902, respectively, and were living September 25, 1902.

The applications of the above named applicants, except that of Caroline Cole, for enrollment as citizens of the Choctaw and Chickasaw Nations appear to have been received

too late under the Act of July 2, 1902 to entitle them to enrollment under said act as citizens of said Nations. The Applications were retained in the possession of the Commission but they appear to have never received consideration, except the case of Gilbert McKinney, after the passage of the Act of April 26, 1906, extending the time for the reception of Applications for enrollment to December 1, 1906, or to have been discovered between April 26, 1906, and March 4, 1907.

ACT OF APRIL 26, 1906 (34 Stat., 137).

CHOCTAW FREEDMEN NEW BORN.

Si Johnson,
Charley Johnson,

Applications for the enrollment of these applicants appear to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906; they were born March 8, 1904, and May 2, 1905, respectively; were living March 4, 1906, and are children of Martin Johnson, whose name appears opposite No. 784 upon the approved roll of Choctaw freedmen, and his wife, Mary Johnson, a non citizen of said Nation. The Commissioner, on March 6, 1907, received sufficient information to show that these children were entitled to enrollment as minor Choctaw freedmen, and on that day telegraphed the Department and recommended that their names be placed upon the roll. The Telegram appears to have been received on March 5, 1907, too late for said children to be enrolled.

Emerson James.

The application for the enrollment of this applicant appears to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906. Emerson James was born April 1, 1905, was living March 4, 1906, and is a minor child of Him and Molly James, whose names appear opposite Nos. 2614 and 2611 respectively, upon the approved roll of Choctaw freedmen. Sufficient information to show that this child was entitled to enrollment was not received until March 4, 1907, and on that day the Commissioner telegraphed the

Department and recommended that said child be placed upon the final roll of minor Chectaw freedmen. Said telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

Carl Harrison,
Brillie Harrison,

It appears that applications were filed with the Commissioner to the Five Civilized Tribes on March 5, 1906, for the enrollment of Carl and Brillie Harrison. They are the children of Brigham Y. and Mary Harrison, whose names appear opposite Nos. 1953 and 3489 respectively, upon the approved roll of Chectaw freedmen. They are minors, aged about four and three years respectively, and were living March 4, 1906. Sufficient information was not obtained until March 4, 1907 to determine the right of these children to enrollment, and on that day Commissioner Bixby wired the Department and recommended that their names be placed upon the approved roll of minor Chectaw freedmen; but the telegram appears to have not been received until March 5, 1907, too late for said children to be enrolled.

Ida Bird.

Application for the enrollment of this applicant seems to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906. Ida Bird was born about June 15, 1902, was living March 4, 1906, and is the child of ~~William Hall~~, whose name appears opposite No. 636 upon the approved roll of Chectaw freedmen. Information from which to determine the child's right to enrollment appears not to have been received until March 4, 1907, when the Commissioner telegraphed the Department and recommended that the name of said child be placed upon the approved roll of minor Chectaw freedmen. Said telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

Kateria Hall.

Application for the enrollment of this applicant seems to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906. Kateria Hall was born May 2, 1900, was living March 4, 1906, and is a minor child of Thomas Hall and Malinda Hall (enrolled as Malinda Jones).

whose names appear opposite Nos. 5100 and 5119 respectively, upon the approved roll of Choctaw freedmen. Information from which to determine the child's right to enrollment appears not to have been received by the Commissioner until March 4, 1907, when Mr. Bixby telegraphed the Department and recommended that the name of said child be placed upon the approved roll of minor Choctaw freedmen. The telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

Andy Butler,
Georgan Butler.

The application for the enrollment of these applicants under the provisions of the Act of April 25, 1906, was received July 25, 1906, and they were listed for enrollment on Chickasaw freedmen new born card No. 409, the application reciting that the same was made for the enrollment of the children as "freedmen of the Chickasaw Nation." February 20, 1907, the Commissioner dismissed the application for their enrollment as Chickasaw freedmen in accordance with the approved opinion of the Assistant Attorney-General for the Interior Department dated November 15, 1906, holding that children of Chickasaw freedmen were not entitled to enrollment under the provisions of the Act of April 25, 1906.

In the caption of the application for the enrollment of these children it is recited that their father is a freedman of the Choctaw Nation, but in the affidavit of the mother as to the children's birth it is stated that their father is a citizen of the Chickasaw Nation. Andy and Georgan Butler were born October 17, 1902, and August 7, 1905, respectively, and are children of Charley Butler and Carrie Butler, whose names appear opposite No. 1714 upon the approved roll of Chickasaw freedmen. Subsequent to March 4, 1906, it was discovered that said Charley Butler is a duly enrolled Choctaw freedman, his name appearing opposite No. 2426 upon the approved roll of such citizens. Evidence of marriage on file with this office shows the lawful marriage of the parents of these children on April 19, 1900. The children were living on March 4, 1906, and were lawfully entitled to enrollment as Choctaw freedmen on March 4, 1906.

Hattie Burris,
Isaac Burris,
John Burris,

March 4, 1907, Commissioner Bixby rendered his decision granting the application for the enrollment as minor

Choctaw freedmen under the Act of April 28, 1906, as amended by the Act of June 21, 1906 (34 Stat., 325), of Hattie, Isaac and John Burris. On that day the Commissioner telegraphed the Department of his action and recommended that their names be placed upon a schedule of minor Choctaw freedmen and approved by the Department. On that day he also addressed a letter to the Department confirming the telegram and transmitting the record of proceedings in the case. March 9, 1907 (I.T.D. 8206-1907), the Department advised the Commissioner that his telegram was not delivered until March 8, 1907, and no further action could be taken in the case.

These children were born, Hattie, April 28, 1901, Isaac, December 5, 1902, and John Burris, January 29, 1904, are the legitimate children of Turner Burris, whose name appears opposite No. 4870 upon the approved roll of Choctaw freedmen, and Etta Burris, a non citizen, and were living March 4, 1906.

There is also called to the attention of the Department for such action as it desires to take, the Mississippi Choctaw case of Mitchell C. Adams, referred to in the Indian Office letter of September 10, 1907, special reference being made to his application for the identification of his minor children. January 13, 1906 (I. T. D. 1312, 18094-1905), the Department approved the decision of the Commission to the Five Civilized Tribes dated January 19, 1905, denying the application of Mitchell C. Adams for the enrollment of himself and minor children, Lillie M. Wera M. and Mitchell C. Adams, Jr., as citizens by blood, and for the enrollment of his wife, Wannie C. Adams, as a citizen by intermarriage, of the Choctaw Nation. On March 3, 1907, Commissioner Bixby,

having received a telegram dated March 2, 1907, from A. W. McDarr, who was an employe of the Commission then stationed in Washington, stating that the Department had directed the identification of Mitchell C. Adams, Lillie M. Adams, Nora M. Adams and William C. Adams (Mitchell C. Adams, Jr., died in 1898 or 1899), as Mississippi Choctaws, rendered his decision identifying them and on that day wired said employe of his compliance with the Department's directions, and stated that as the records did not show that said persons had ever removed to and settled within the Choctaw-Chickasaw country no action would be taken other than their identification. Subsequent to the rendition of said decision the Commissioner received the Department's decision in the case dated March 2, 1907 (I.T.B. 5748-1907), wherein the decision of the Commission of January 19/ 1905, adverse to the applicants, was reversed except as to said William C. Adams. This action was taken in accordance with the approved opinions of the Assistant Attorney-General of February 20, 1907, and February 26, 1907. Said Mitchell C. Adams was ordered identified as a fullblood Mississippi Choctaw Indian, and in connection with the identification of Adams' children the Department states that:

"In the concluding paragraph of the above cited opinion recommendation is made that no action should be taken at this time looking to the enrollment of Adams' family.

This recommendation is approved only to the extent that they should not now be finally enrolled as citizens.

In accordance with the approved opinion of the Assistant Attorney General of February 16, 1907, in the case of the infant children of Nicholas Charles, et al., based on Section 2 of the Act of April 26, 1906 (34 Stat., 127), the children of Mitchell C. Adams are entitled to identification as Mississippi Cheestaws, if said children were miners living on March 4, 1906.

It appears that when the record was made up Lillie M. Vera M. and William C. Adams were the living minor children of Mitchell C. Adams, and that Mitchell C. Adams Jr., has since died.

Accordingly you are also directed to identify Lillie M. Vera M. and William C. Adams as Mississippi Cheestaws, following said opinion in the Charles case."

Mitchell C. Adams resides at Bluefield, West Virginia, and it would have been impossible for him to have removed to and settled within the Cheestaw-Chickasaw country and submitted proof of such settlement within time for his enrollment to have been approved by the Department on March 4, 1907.

The children of Mitchell C. Adams, being of the mixed blood, and no attempt being made to prove that they are the descendants of a beneficiary under the fourteenth article of the treaty of 1830, were not entitled to identification as Mississippi Cheestaw Indians under the Act of July 1, 1902. It is not clear as to the right of these children under the Act of April 26, 1906, considering their case in the light of the Department's decision in the Nicholas Charles, et al., case above referred to, and its decision of May 23, 1906 (I.T.D. 5066, 17856-1903, 9022-1906), in the Willie Willie case.

And Mitchell G. Adams, after his identification as a Mississippi Choctaw Indian, made proof of settlement within the Choctaw- Chickasaw country and been duly enrolled as a Mississippi Choctaw, and his enrollment approved by the Secretary of the Interior, his said children would have been entitled to enrollment under the Act of April 26, 1906, as amended by the Act of June 21, 1906, as the minor children of a duly enrolled Mississippi Choctaw Indian, provided they were minors living March 4, 1906.

The Commissioner's decision in this case of March 3, 1907, is inclosed; the record in the case was transmitted to the Department October 21, 1908.

The records of proceedings in a number of the above cases have been heretofore forwarded, and, with the date of the letter of transmittal, are as follows:

Sallie Foster, Creek new Born,	February 27, 1907.
Glennene Farve, et al. Mississippi Choctaws (in consolidated case of Fanny Agloff, et al., M C R 2370).	December 21, 1906.
Gilbert McKinney, Choctaw Freedman (in case of Nelling McKinney, et al).	February 26, 1907.
Kattie Harris, et al., Choctaw Freedman New Born.	March 4, 1907.
Mitchell G. Adams, et al., Mississippi Choctaw).	October 21, 1908.

The records in the other cases above referred to are transmitted herewith.

In the matter of the application for the enrollment of
Vina Jackson as a Choctaw freedman.

D E C I S I O N.

It appears from the census card record in this case that on April 22, 1899, application was made to the Commission to the Five Civilized Tribes for the enrollment of Vina Jackson as a Choctaw freedman.

It further appears from the record herein and from the records in the possession of this office, that said applicant was born October 21, 1898, and is the daughter of Alfred Jackson, a recognized Choctaw freedman, whose name appears as number 735 upon a list prepared by the Commission to the Five Civilized Tribes, under the provisions of the Act of Congress approved July 1, 1902 (32 Stats., 641), of persons entitled to enrollment as Choctaw freedmen, and approved by the Secretary of the Interior March 6, 1903, and Clare Jackson, a non-citizen.

I am, therefore, of the opinion that Vina Jackson should be enrolled as a Choctaw freedman, under the provisions of the Acts of Congress approved June 28, 1898 (30 Stats., 495) and July 1, 1902 (32 Stats., 641), and it is so ordered.

Rebecca Pettillar,

Jawa, Indian Territory,

Dear Madam:

Receipt is hereby acknowledged of your letter of May 5th in which you ask if you will be compelled to have the lines run, showing the location of your allotment.

In reply to your letter you are informed that it is expected that citizens and freedmen of the Choctaw and Chickasaw Nations will be informed as to the location of the land, which they desire to select as their allotment, at the time they make application therefor at the land office. The Commission has however for several years past had parties in the field platting and locating improvements and will be in a position to assist citizens and freedmen materially in the location of their allotments but cannot at this time designate any surveyors for the specific purpose of locating allotments.

You are further advised that it appears from our records that Rebecca Pettillar has been listed for allotment as a Choctaw freedman but her name has not yet been placed on the allotment list. The Commission prepared for forwarding to the Secretary of the Interior.

Choc FR 358 Monroe Lewis

FR 358

Muskogee, Indian Territory, August 27, 1901.

Mr. Monroe Lewis,
 Ultimathula, Arkansas.

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a Choctaw freedman of Hiridge Lewis, the infant son of Monroe and Emma Lewis, born January 29, 1901. Also the certificate of marriage between Monroe Lewis and Emma Brown, and the same are returned to you for further information relative to the mother of this child.

It is stated in the affidavit of the mother that her name is Emma Brown; that she is 26 years of age and a citizen by adoption of the Choctaw Nation and the lawful wife of Monroe Lewis, who is a citizen by adoption of the Choctaw Nation.

You are informed that the records of this office have been carefully examined and neither the name of Emma Brown nor Emma Lewis appear thereon as listed for enrollment as a Choctaw freedman.

You are therefore requested to state what and what qualifications are made for her enrollment, the names of other members of the family for whom enrollment was made at the same time, and any other information which you may deem it will enable the Commission to

Form 100-1

Identify the mother of this child as duly listed for enrollment as a Quaker Freedman.

Upon return of the application and the certificate of marriage together with the information requested herein the matter of the application for the enrollment of your child will receive further consideration.

Yours truly,

Dear Sir:

You are requested to state the time and place you last appeared before the Commission and whether or not at that time you made any application for the enrollment of an infant child.

If so, state the name of such child and the date on which it was born.

An envelope is herewith enclosed for your reply and you are requested to give the matter prompt attention.

Wm Lewis,

Marathon, Arkansas.

Dear Sir:

Receipt is hereby acknowledged of your letter of July 28, in which you state that when you appeared at the land office you were not permitted to select allotment for your child, Jennie May Lewis, and you ask why her name does not appear upon the rolls.

In reply to your letter, you are informed that it appears from our records that there was received at the post-office, at Washoe, Indian Territory, on December 26, 1892, subsequent to December 24, 1902, the date upon which the authority of the Commission to receive and consider original applications for enrollment in the Cherokee and Chickasaw Nations expired, under the provisions of the Act of Congress approved July 1, 1902, an application for the enrollment of Jennie May Lewis, child of Wm Lewis and Ellen Fitzhugh.

It is therefore believed that the Commission is without authority to enroll Jennie May Lewis as a Shoshone Freedman under the provisions of the Act of Congress of July 1, 1902, above referred to.

Sam Lewis,

Dear Sir:

Receipt is hereby acknowledged of your letter of September 22, 1903, relative to the application for the enrollment of your infant daughter, Jennie May Lewis. It is stated in your letter that at the time you appeared before the Commission November 27, 1902, you already had a blank application for the enrollment of your infant child; that you forwarded the same to this office, but never received any acknowledgment therefor.

You are advised that an application for enrollment as a Choctaw Freedman of Jennie May Lewis, infant daughter of Sam and Ellen D. Lewis, born May 2, 1902, was received at this office December 24, 1903.

You are informed that before the application for the enrollment of your child as a Choctaw Freedman can be given further consideration, it will be necessary that you furnish the Commission with your affidavit, countersigned by that of other witnesses, stating the time and place you appeared before the Commission and made appli-

action for the enrollment of said child. The affidavit should also show the reason why the application for the enrollment of said child was not perfected at the time of your personal appearance before the Commission.

This matter should receive your prompt attention.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Johnny Johnson as a Choctaw freedman.

D E C I S I O N .

It appears from the census card report in this case that application was made to the Commission to the Five Civilized Tribes on April 24, 1899, for the enrollment of Johnny Johnson as a Choctaw freedman.

This office has for the past four years, through its field parties operating in the Choctaw and Chickasaw nations and its land offices, and by interviews at this office of prominent citizens of the Choctaw and Chickasaw nations of extensive acquaintance, made every effort to ascertain the whereabouts of said applicant, but no information has been obtained. It is considered that said applicant is either dead or residing without the limits of the Indian Territory.

I am, therefore, of the opinion that the application for the enrollment of Johnny Johnson as a Choctaw freedman should be dismissed, and it is so ordered.

In the matter of the application for the enrollment of your son, Johnny Johnson, as a Choctaw Freedman, you have several times been requested to furnish the Commission with proof of birth of said child, but up to this time you have failed to do so. There is enclosed you herewith a blank form of proof of birth, and you are requested to have the same properly executed and return to the Commission, without delay.

In having the same executed be careful to see that all blank places are properly filled, all names written in full, and that the Notary Public before whom the affidavits are sworn to attaches his name and seal to each separate affidavit. In case any signature is by mark, it must be attested by two disinterested witnesses who can write.

If you wish this child to be enrolled by the Commission as a Choctaw Freedman, you will give to this request the attention you have failed to give to the others, and will forward this proof of birth without delay.

Respectfully,

W. G. H.

Dear Madam:-

On January 31, 1903, the Commission requested you to furnish proof of birth of your son, Johnny Johnson, in the matter of his application for enrollment as a freedman of the Choctaw Nation, up to this time no response to said request has been received. You are, therefore, again requested to furnish proof of birth of said child and a blank for that purpose is enclosed you herewith.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the notary public, before whom the affidavits are made, attaches his name and seal to each separate affidavit. In case any signature is by mark, it must be attested by two disinterested parties, witnesses thereto.

You should give this matter your immediate attention so that evidence of birth is received nothing further can be done in the matter of the enrollment of Johnny Johnson as a freedman of the Choctaw Nation.

Respectfully,

Dear Madam:

Receipt is hereby acknowledged of your letter of March 4, 1907, with which you inclose affidavits of Ella Johnson and Monroe Colbert to the birth of Jehnie Johnson and state that you hope that this is sufficient in the matter of the enrollment of this child.

In reply to your letter you are advised that on February 28, 1907, the Commissioner to the Five Civilized Tribes rendered a decision dismissing the application for the enrollment of Jehnny Johnson as a Choctaw freedman.

Sir:

Receipt is hereby acknowledged of your letter of January 18, in which you state that you desire to have Johnny Johnson, child of Ella Johnson, enrolled as a Cherokee freedman; that you understand the application for his enrollment was dismissed February 26, 1907, for the reason that his whereabouts was unknown, but that he is now living near Idabel, Oklahoma, and as all his people are on the roll you see no reason why he should fail to secure enrollment.

In reply you are advised that no replies were received to your letter of January 18, 1908, and that it was not until Johnson was living on September 25, 1908, and the representatives of the Commission in the field at the winter of 1908-1909 could not secure the necessary information to show that he was entitled to enrollment and his application was, therefore, on January 18, 1908, dismissed.

You are advised that the rolls of citizenship of the Cherokee Nation were closed on March 4, 1907 and that there are

You refer to a letter from this office of February 30, 1937, asking proof that your son was living September 22, 1902, and state that you prepared affidavits to this effect and forwarded the same to this office and have nothing more in regard to the matter.

In reply you are advised that it appears from the records of this office that on March 2, 1907, there were received at the office two affidavits of Mrs. Johnson, mother of Johnny Johnson, and Maurine Gilbert to the effect that this child was living September 22, 1902, but on February 22, 1937, the Commissioner of the Five Civilized Tribes had dismissed the application for his enrollment for the reason that sufficient information could not be obtained as to whether or not he was living.

The Honorable,

The Secretary of the Interior,

Sir:

On December 23, 1903, the Commissioner to the Five Civilized Tribes had the honor to transmit, for departmental consideration, schedules constituting part of the final roll of the freedmen of the Choctaw Nation, numbers 2701 to 3944, inclusive, copies of which have been heretofore returned, approved by the Secretary of the Interior, February 16, 1904.

I now have the honor to report that the name of the freedman whose name therein appears under number 2718 is erroneous and should be corrected. On July 22, 1904, William Cole, approved roll of the freedmen, number 2718, the father of William Lee Cole, appeared as before the master land office of the Commissioner, Atoka, Indian Territory, and from his testimony it was that it developed that this freedman is a fugitive.

Dear Madam:

Receipt is hereby acknowledged of your letter of the 7th instant in which you desire to be informed if Little Butler or Little Washie is on the rolls of the Cherokee nation.

Replying to your letter you are informed that the records of the Commission do not show that any party by the name of Little Butler or Little Washie has ever been listed for enrollment as a citizen or Freedman of the Cherokee or Chickasaw nation.

The records do show that a Little Butler, 27 years of age, the wife of M. Butler, and the mother of Annie, John, Sam, Alfred, Susan, Oliver, Lennie, Ketur and Elvira Butler, of Muskogee, Indian Territory are listed for enrollment as Cherokee Freedmen.

The records also show that a Little Butler, 20 years of age of Muskogee, Indian Territory, and her children, Sarah, Lena and Lina Butler are listed for enrollment as Cherokee Freedmen.

If either of these women are not the parties concerning whom you make this inquiry, it will be necessary for you to give the Commission further information before the matter can be given any further consideration. Give the full name and age of this

woman, whether she claims as a citizen or Freedman of the Cherokee nation, the names of her parents, the name of her husband if she is married, and her place of birth, and also the name of her land.

Ed Butler,

Dear Sir:

It does not appear from the records of this office that evidence of the birth of your son, Homer Butler, has been filed with the Commission. There is inclosed herewith a blank application for enrollment of infant children. In having the same executed be careful to see that all blanks are properly filled, all names written in full, and that the notary public before whom the affidavits are acknowledged attaches his name and seal to each affidavit. Signatures by mark must be attested by two disinterested witnesses. Such evidence should be furnished at once as the same is necessary to determine the rights of your said son as a Cherokee Freedman and no further action can be taken relative to his final enrollment as given until such information is supplied.

An envelope for your reply is inclosed herewith.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Thomas Hall as a Choctaw freedman.

D E C I S I O N .

It appears from the record herein that on November 28, 1902, Thomas Hall appeared before the Commission to the Five Civilized Tribes at Muskogee, Indian Territory, and made application for the enrollment of himself as a Choctaw freedman.

It appears from the evidence herein and from the records of the Commission that Thomas Hall was born subsequent to the War of the Rebellion and is the son of Nellie Hall, whose name appears upon a list prepared by said Commission under the provisions of the Act of Congress approved July 1, 1902, (32 Stats., 641) of persons entitled to enrollment as Choctaw freedmen and approved by the Secretary of the Interior on March 6, 1903.

It further appears from the record herein that the said Thomas Hall has resided continuously in the Choctaw Nation from the date of his birth up to and including September 25, 1902 with the exception of a few years during which time he was confined in the penitentiary at Ft. Leavenworth, Kansas.

I am therefore of the opinion that Thomas Hall should be enrolled as a Choctaw freedman under the provisions of the Acts of Congress approved June 28, 1898 (30 Stats., 495) and July 1, 1902 (32 Stats., 641), and it is so ordered.

Eagletown, Indian Territory.

Dear Sir:

It appears from our records that an application was received at this office, December 24, 1902, for the enrollment of Willie Walker, infant son of Giles and Eliza Walker, born February 8, 1899; together with the marriage certificate between Giles Walker and Eliza Riley, dated May 31, 1898.

The Commission, being unable to properly identify the mother of the child, further consideration was deferred pending the receipt of information relative to the enrollment of Eliza Riley as a Choctaw freedman.

Receipt is hereby acknowledged of your letter of recent date, from which it appears that Eliza Riley was the daughter of Shepard Riley, and that she was duly listed for enrollment by this Commission as a Choctaw freedman, April 24, 1899; and the application of Willie Walker now being in proper form has been duly filed with the records of the Commission, and she will be listed for enrollment as a Choctaw freedman.

Respectfully,

John H. Walker

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to enclose a report from the Commissioner to the Five Civilized Tribes dated July 12, 1905, stating that the age opposite No. 134, Sophina Hall, approved roll of Choctaw Freedmen, is erroneous, and should be corrected. The Commissioner says, that from the testimony of Nellie Hall, No. 811, on said roll, taken May 12, 1903, it appears that her daughter, Sophina Hall, is about 25 years of age, and recommends that the age be changed from 25 years to 20 years upon the approved rolls. He did not transmit the testimony of Nellie Hall.

It is recommended, however, that the correction mentioned by the Commissioner, be made on the approved roll on file with the Department, and that this Office ask the Commissioner of the Five Civilized Tribes to authorize or request their respective records to be corrected.

Very respectfully,

S. F. Lawrence,

Acting Commissioner.

In order that the rights of your said minor children, Ida Byrd and Alice Byrd, may be properly determined as Cheetaw freedmen, you are advised that it will be necessary for you to furnish this office with proper proof of birth for each of said children, and in order to assist you in this matter there are inclosed herewith blank proofs of birth, which you should have properly executed and return the same to this office not later than January 22, 1907.

Referring to Choctaw Freedmen Field Card No. 388, it appears that Sophina Hall, age at this time 16 years, is enrolled as No. 834 upon the approved schedule of freedmen of the Choctaw Nation. Her father's name is Louis and her mother's name is Nellie Hall.

On the same card appears the name of Sophina Hall, age at this time 31 years, and it appears that her enrollment has not been approved.

The name of Minerva Hall, father's name unknown, mother's name No. 4, whose enrollment has not been approved.

On the same card appears the name of Austin Child, approved Roll No. 835, father's name William Child, and mother's name No. 3.

From the appearance of Sophina and Josephine Hall, who have just testified, it would seem that the one who calls herself Josephine is 16 or 18 years of age, and that Sophina is somewhat older, but she does not appear to be as old as 31 years. She would appear to be about 20 years of age, as stated by witness, Ramsey Hall.

In the matter of the application for the enrollment of
Emaly Douglas as a Choctaw freedman.

-: D E C I S I O N :-

It appears from the record herein that on February 27, 1907, application was made to the Commissioner to the Five Civilized Tribes for the enrollment of Emaly Douglas (born April 2, 1896) as a Choctaw freedman.

It does not appear from the records of this office that any formal application was ever made for the enrollment of Emaly Douglas as a Choctaw freedman prior to December 1, 1906.

It does appear, however, from the records of this office that on April 24, 1899, Fannie Robinson appeared before the Commission to the Five Civilized Tribes at Alikoni, Indian Territory, and made application for the enrollment of herself and her son, Moses Douglas, and her grand-child, Gabriella Douglas, the minor child of said Moses Douglas, at which time she testified in part as follows:

Q. What is your son's name? A. Moses Douglas.

Q. Where is he now? A. He is in Columbus, Ohio, in the penitentiary.

Q. Was he ever sold out of the Country? A. No sir, he belonged to Robert Jones. He was born there.

Q. Is he married? A. Yes sir, he is married.

Q. Has he got any children? A. Yes sir, this is one, Gabriella Douglas.

Q. Who did her mother belong to? A. R. M. Jones.
He has got another child.

Q. Was Moses married to its mother? A. I don't know whether he was or not.

Q. Was it born while he was living with this girl's mother?

A. No sir, it was born afterwards.

Unless you can prove that he was married to her we cannot enroll it.

It further appears from the records of this office that on January 9, 1905, Moses Douglas, the father of the applicant, addressed a letter to this office in which he asked whether his daughter "Amie" Douglas had been enrolled and that his mother, Fannie Robinson, had applied for her at the same time that she applied for Gabriella Douglas.

I am of the opinion that the testimony above referred to and the letter of January 9, 1905, establish that application was made for the enrollment of Emaly Douglas as a Choctaw freedman.

It further appears from the record herein and from the records of this office that Emaly Douglas was born April 2, 1896, was living September 25, 1902 and is the daughter of Moses Douglas, whose name appears opposite No. 342 upon the final roll of Choctaw freedmen approved by the Secretary of the Interior March 6, 1903.

Jim Gilbert,

Shawnee, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a Choctaw Freedman of Jessie Gilbert, the infant son of Jim and Laura Gilbert, born September 29, 1891.

The same is returned to you herewith for the reason that it appears from our records that when you were listed for enrollment as a Choctaw Freedman on April 24, 1899, it did not appear that you were married. If you have since that time married a woman who was not entitled to recognition as a freedman or citizen of the United States, it will be necessary that you supply either the original or a certified copy of the marriage license and certificate of the officiating minister, and that consideration be given to the application. If you have since that time married a woman who was entitled to recognition as a freedman or citizen of the United States, the same will be given to the application.

Dear Sir:-

Receipt is hereby acknowledged of your letter of July 28, 1904, in which you state that you never received a notice about the enrollment of your child and ask if you must come now for the purpose of having him enrolled.

In reply you are advised that you do not state the name of the child referred to and it is impracticable to advise you whether or not affidavits have heretofore been forwarded to his birth. You are informed, however, that under the Act of Congress approved April 22, 1904, the Commissioner is the first Civilized Tribes was authorized to receive applications for the enrollment of children of citizens of the Choctaw and Chickasaw Nations for a period of ninety days from that date. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Parthenia Frazier as a Choctaw Freedman.

- - : D E C I S I O N : - -

It appears from the record herein that on April 28, 1899, Elizabeth Cole (formerly Frazier), appeared before the Commission to the Five Civilized Tribes at Alikchi, Indian Territory, and made application for the enrollment of herself and her four minor children, David Leflore, Nancy Reid, Sarah Frazier and Parthenia Frazier as Choctaw Freedmen.

The rights of Elizabeth Cole (formerly Frazier), David Leflore, Nancy Reid and Sarah Frazier as Choctaw Freedmen have heretofore been determined, their names appearing as Nos. 859, 2911, 860 and 861, respectively, upon the lists prepared by the Commission to the Five Civilized Tribes under the provisions of the Act of Congress approved July 1, 1902 (32 Stats., 641), of persons entitled to enrollment as Choctaw Freedmen, all of said applicants being approved by the Secretary of the Interior on March 6, 1903, with the exception of David Leflore who was approved on June 11, 1903.

It further appears from the record herein that Parthenia Frazier was born in 1897, and is a child of Elizabeth Cole (formerly Frazier), above named, and Wilson Frazier, deceased, an alleged Choctaw Freedman.

I am therefore of the opinion that Parthenia Frazier should be enrolled as a Choctaw Freedman under the provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

If this is correct, you are requested to state her full maiden name, the time and place application was made for her enrollment, the names of the other members of her family for whom application was made at the same time, and any other information you may have which will enable the Commission to identify Elisabeth Cole as being truly listed for enrollment as a Choctaw freedman.

It appears from our records that the application for the
enrollment of this child was returned to you December 2, 1907, for
certain information relative to the mother.

You will be advised that the statements contained in your
letter have enabled the Commission to identify the mother as being
only known for enrollment as a Choctaw freedman under the name of
Elizabeth Freeland, and the application being in proper form has
been duly filed with the records of the Commission and your child
being the applicant as a Choctaw freedman.

Elizabeth Cole,

Dear Madam:

Receipt is hereby acknowledged of your letter of January 27, 1904, requesting information relative to the enrollment of your children.

You are advised it appears from our records that Elizabeth Cole, now about 30 years of age, of Fowlerville, Indian Territory, and her minor children, Henry Reid, Sarah Frazier and Sam Cole, have been enrolled by this Commission as Chester Freedmen, and their enrollment as such approved by the Secretary of the Interior, March 6, 1903.

It also appears that her minor son, David Jeffers, now about 14 years of age, has been enrolled by this Commission as a Chester Freedman, and his enrollment as such approved by the Secretary of the Interior, May 12, 1903.

It is stated in your letter that you demanded proof of the birth of your minor children, Sarah Frazier, and Henry Reid, and that you were not satisfied with the answer.

You are advised it has not appeared that any proof of the birth of Sarah Frazier has been submitted and that the

Dear Sir:

Receipt is hereby acknowledged of your letter of the 18th inst., enclosing affidavits of Mary Shelton and Susan Price, relative to the birth of Emma Cole, July 4, 1902, and you state that a mistake has been made by this office by calling the name of said child, Parthenia Frazier.

It does not appear, however, from our records that any proof of the birth of Parthenia Frazier has been furnished the Commission, and before further consideration can be given the application for enrollment of Parthenia Frazier it will be necessary that proof of her birth be furnished the Commission and a blank application for the enrollment of an infant child is enclosed herewith, which should be properly completed and returned to this office as early as possible.

For your further information you are advised that all of the members of this family, except Parthenia Frasier, have been en-

Dear Madam:

Referring to the application for the enrollment of your child Martha Gale Frasier and the affidavits to her birth which were filed in this office July 31, 1908, you are advised that your affidavit and the affidavit of Mary Shellen and Susan Wiles give the date of the birth of your child as July 3, 1908, while it appears from the records of this office that your child Martha Frasier was two years old in April 1908, when you made application for the enrollment of your child and your children as Indian Territory.

The clerk further advised that the evidence of birth recently forwarded gives the name of the father of Martha Frasier as Columbus Gale, while the records of this office, made at the time of your original application, show that Martha Frasier is the child of Wilson Frasier and Elizabeth Frasier, nee Gale.

Receipt is hereby acknowledged of your letter of the 4th instant, requesting to be advised whether the enrollment of yourself and family has been approved by the Secretary of the Interior, stating that your family are Chickasaw Freedmen, but that you are a Choctaw Freedman. You also request to be advised how much land each Chickasaw Freedman will be entitled to.

It was ascertained it appears from our records that you Stewart, now about thirty-three years of age, of Oklawaha, Indian Territory, was married to a woman of the same name, and a daughter of a Choctaw Freedman, and was approved by the Secretary of the Interior March 5, 1901.

It further appears from our records that Jane Stewart, wife of Tom Stewart, and their children, Mitchell, David, Willie, George, Samuel, William and Sam Stewart, are listed for enrollment as Chickasaw Freedmen, but their names have not yet been placed upon the rolls of the Freedmen, as the enrollment is the duty of the Secretary of the Interior.

Dear Sir:

Receipt is hereby acknowledged of your letter of March 18, 1906, asking if Adella Chester born May 1902 has yet been enrolled.

In reply to your letter you are advised that there was received at the post office at Muskogee, Indian Territory, December 26, 1902, affidavits relative to the birth of Della Chester, daughter of Dallas and Hester Chester May 1, 1902, but no action has yet been taken relative to the enrollment of this child as the affidavits were received subsequent to December 25, 1902, the expiration of the ninety days within which the Commission to the Five Civilized Tribes was authorized to receive applications for enrollment. In event of additional legislation providing for the enrollment of this class of children, the matter of the enrollment of this child will receive further consideration.

Respectfully,

Acting Commissioner.

Washington, Indian Territory, November 18, 1907

The Honorable,

The Secretary of the Interior.

Sir:

June 22, 1907, former Commissioner Birby called to the attention of the Department certain enrollment cases that were brought to his attention after March 4, 1907, in which it appeared that the applicants were probably entitled to enrollment but were not placed upon the final rolls of the tribes of which they were members, and that in view of Section 2 of the Act of Congress of April 24, 1906, there was no existing law under which they could obtain relief.

July 23, 1907 (I.T. 89745-1907), the Acting Commissioner of Indian Affairs in reporting the matter, stated:

"It appears from the Commissioner's letter that the parties mentioned by him are entitled to enrollment and that for various reasons their names were not placed on the roll. As it appears to be thoroughly established that they are as such entitled to enrollment on the roll of the tribes of which they belong, and as there is no existing law by which they can be enrolled, it is recommended that the list be preserved and that the Commissioner to the Five Civilized Tribes be requested to investigate further similar cases to the end that relief may be afforded to all such persons by a special act of Congress, authorizing the placing of their names on the rolls of citizens of the nation to which they belong."

This recommendation was approved by the Secretary of the Interior July 25, 1907.

The question of the advisability of requesting congressional action upon cases of persons entitled to enrollment but not enrolled as members of the Five Civilized Tribes, through fault of

Their own or otherwise, was again discussed in the Cherokee case of Alta May Brassfield. The Commissioner of Indian Affairs on August 21, 1907 (I.T. 69566-1907), forwarded this office, for report, a letter from John Brassfield, and on September 10, 1907 (I.T. 73376-1907), in transmitting the report of this office of August 30, 1907, stated:

"In cases such as the Brassfield, the Mitchell Adams, and a few others that have come to the notice of the Office, where the parties were not enrolled through no fault of their own, but through error of Government Officers, Congress should be requested to enact legislation authorizing their enrollment, and their names should be inserted in the law as was done by Section 9 of the Act of June 30, 1902 (32 Stat., L., 600), in the cases of Her-wal-le-pe-se, Mary, Walter and Willie Washington, citizens of the Creek Nation.

It is recommended that the Office be authorized to advise the Commissioner to the Five Civilized Tribes as herein indicated, and request him to prepare a list giving the names of the persons whom his record show were legally entitled to enrollment and were omitted through oversight on the part of the Government, in order that the subject may be presented to Congress with a view to protecting their interests."

This recommendation was approved by the Secretary of the Interior September 11, 1907.

In accordance with these instructions I have investigated the records in the citizenship cases in the different Tribes and respectfully submit the following cases which I believe come within the purview of the Department's instructions, to-wit:

CITIZENSHIP BY BLOOD.

ACT OF JULY 1, 1906 (32 STAT., 716).

Jennie Cloud,
Joe Kingfisher, case No. 7713.

Jennie Cloud, who is a fullblood Cherokee Indian, is a daughter of Welce Crittenden and Ka-le-nuskee; she was born in the Cherokee Nation about 33 years ago, and has continuously resided therein since her birth to the present time; her name is identified upon the 1880 Cherokee tribal roll, Goingsnake district, at No. 454, as Sinthy Crittenden, and upon the 1894 Cherokee tax roll, Goingsnake district, at No. 664, as Jennie Kingfisher.

Joe Kingfisher, born about 1892, is a son of said Jennie Cloud and one Josiah Kingfisher, whose name appears opposite No. 18683 on the approved roll of Cherokee citizens, being enrolled as a fullblood. Said Joe Kingfisher resided in the Cherokee Nation continuously from his birth until his death, which occurred in 1903 or 1904. The application for the enrollment of Jennie Cloud and Joe Kingfisher was made April 15, 1902, but their case was, through an oversight, never passed upon.

Viola Grazier, case No. 4079.

Viola Grazier was born August 26, 1902, and is a child of Homer K. Grazier, whose name appears upon the approved roll of citizens by blood of the Cherokee Nation, opposite No. 3642, being enrolled as a three-eighths Indian, and as one-eighth Cherokee. The application for her enrollment was made October 3, 1902, and on February 20, 1907, the former Commissioner rendered his decision ordering her enrolled as a citizen by blood of the Cherokee Nation. No protest against her enrollment was filed by the attorney for the Cherokee Nation, but through oversight she was not placed upon a schedule of Cherokee citizens and forwarded for departmental approval.

Maggie Bower, case No. 5186.

Application for the enrollment of Maggie Bower was made June 22, 1902, and is a fullblood Indian about thirty or thirty-two years of age, a daughter of Sam Bower, whose name appears opposite No. 1542 upon the approved roll of

citizens by blood of the Cherokee Nation, and one Lydia Spawer, nee Wesley, a Cherokee, who died about twelve years ago. Maggie Decker is identified upon the 1890 Cherokee tribal roll, Tahlequah district, at No. 319, and has continuously resided in the Cherokee Nation from the time of her birth until the present time. The case of this child was not, through inadvertence, passed upon prior to the closing of the Cherokee roll.

Jim Wolfe, case No. 10991.

This applicant, who is a fullblood Indian, made application for enrollment November 20, 1900, as a citizen by blood of the Cherokee Nation, his age being given at that time as 41 years. June 20, 1901, the Commissioner to the Five Civilized Tribes refused his application for enrollment in accordance with the provisions of the Act of May 31, 1900 (31 Stat., 281), and on September 24, 1901, said decision was approved by the Department. On November 27, 1903 (I. E. D. 2304-1903), on request of the Commissioner, the Department reconsidered its decision and returned the case for readjudication. Further proceedings were had in the same September 21, 1904, and October 30, 1905. On February 21, 1907, the Commissioner rendered his decision ordering Jim Wolfe enrolled as a citizen of the Cherokee Nation of Cherokee blood. The attorney for the Cherokee Nation entered no protest against the enrollment of Jim Wolfe, but through inadvertence his name was not placed upon a schedule of names and forwarded to the Department for approval.

Eli Springwater, case No. 11000, 222.

Application for the enrollment of this applicant was made August 16, 1900. Emily A. Springwater, his mother, is a white woman and alleges that she was married to John Springwater, the father of Eli Springwater, in 1880 or 1885, and that they lived together for about three years. Other than her own statements, there is no evidence of the marriage. The Commissioner has from the information furnished in support of the application lived together for about three years. That the child Eli Springwater was born while they were living together.

that he was recognized in the community as their child, and also by his putative father, Johnson Springwater. The name of Eli Springwater cannot be identified upon any of the tribal rolls of the Cherokee Nation in the possession of this office. Johnson Springwater is identified upon the 1880 Cherokee tribal roll, Sequoyah district, at No. 1213, and his name appears upon the approved roll of citizens by blood of the Cherokee Nation opposite No. 25726.

Commissioner Bixby in his letter of June 28, 1907, fully advised the Department in reference to the above cases, and as to the probable cause of their being overlooked.

Alta May Brassfield, case No. 6415.

Alta May Brassfield was born June 16, 1902, and is a daughter of John Brassfield, whose name appears opposite No. 18880 upon the approved roll of citizens by blood of the Cherokee Nation, and his wife, Mary Brassfield, a non-citizen white woman. The first application made to the Commission to the Five Civilized Tribes was received September 1, 1904, too late, under the provisions of Section 30 of the Act of July 1, 1902, to be considered. The Act of April 24, 1906, (34 Stat., 137) extended the time for the reception of applications for enrollment to December 1, 1906, but the application for the enrollment of Alta May Brassfield, which was retained in the files of the Commission, was not discovered after the passage of the Act of April 24, until subsequent to March 4, 1907, and her case was not passed upon prior to the closing of the tribal rolls on March 4, 1907. Said child is living at the present time.

CHEROKEE NATION NEW BORN.

ACT OF APRIL 24, 1906 (34 Stat., 137).

Louy Scott, New Born case No. 6416.

Application was received May 11, 1906, for the enrollment under the Act of April 24, 1906, of Louy Scott, born September 21, 1903, a child of Jim Scott, a descendant of the Cherokee Nation, and Mary Scott, whose name appears

upon the approved roll of Cherokee Freedmen opposite No. 3725. This child was living March 4, 1906. When this application was first received Lucy Scott was listed for enrollment on Cherokee new born card No. 2787, instead of a Cherokee freedman new born card, it being recited in the application upon the child's enrollment that its mother, Mary Scott, was "a citizen by birth of the Cherokee Nation". On February 7, 1907, Commissioner Bixby ordered the transfer of the name of Lucy Scott from the Cherokee new born case to a Cherokee freedman new born case, it being found that the mother was enrolled as a Cherokee freedman. It appears that no further action was taken looking toward the enrollment of Lucy Scott until March 4, 1907, when Mr. Bixby wired the Department as follows:

"From evidence now in my office it appears that minor Cherokee freedman applicant Lucy Scott, is minor child of Mary Scott, Cherokee freedman roll number thirty-seven twenty-two, was born September twenty-one nineteen hundred three, living March four nineteen hundred six, made application within the time limited by Act April twenty-six nineteen hundred six and has been listed on card number five forty-two. I recommend that said applicant, Lucy Scott, be placed on minor Cherokee Freedman Roll and approved".

Fearing that the telegram would reach the Department too late, the Commissioner wired his employe then in Washington, calling his attention to the telegram, which was quoted him, in order to secure, if possible, the enrollment of this child. March 3, 1907 (111.2.22.1907), the Acting Secretary of the Interior notified the Commissioner that said telegram was not received in the Secretary's office until March 5, 1907, and that no further action could be taken.

COPIES OF RECORD

ACTS OF BUREAU, 1, 1906 (111.2.22.1906),
AND JUNE 30, 1906 (111.2.22.1906).

Chishoker Mully,
Mitchely,
Barney --
Simon

case No. 1-3172.

April 26, 1907, Chishoker Mully appeared before the Commissioner to the Five Civilized Tribes and gave testimony in connection with the right to enrollment as citizens by blood of the Creek Nation of herself and children, Mitchely, Barney and Simon Mully, all full-blood Creek Indians. It developed that Chishoker Mully was identified upon the 1890 Creek pay roll, Ketchapataka Town, as Chishoke, but that her enrollment upon said roll had previously been accepted, through error, as that of one Watter Yakola, whose name appears upon the approved roll of Creek Indians opposite No. 2416. It was also found that her children above named, who are also identified on said roll, were listed for enrollment to the Commission to the Five Civilized Tribes on May 23, 1901, as Mitchell, Barney and Simon Miler, and that on February 20, 1907, the Commissioner dismissed the applications for their enrollment, no information having been received to show whether or not they were living and entitled to enrollment on April 1, 1909. The names of these persons also appear upon the 1890 authenticated roll of citizens by blood of the Creek Nation on page 133, Ketchapataka Town, as Chishokee, Mulla, Barney and Simon. The evidence shows that these people lived continuously all of their lives in the Cherokee Nation (among a band of Creek Indians who settled in the Cherokee Nation about the time of the outbreak of the civil war) and that they have never been enrolled of any other Nation or tribes of Indians other than the Creek.

ALL OF APRIL 24, 1908 (2d Sess., 1907).

FILED IN CASE NO. 1-3172.

On May 18, 1909, collection was made on the account of the Five Civilized Tribes for the enrollment of Mully Mully, born January 11, 1908, as a citizen by blood of the Creek Nation under the act of March 26, 1907.

-3-

Said Sallie Foster is a child of Noah Foster, whose name was identified upon the approved roll of Creek Indians opposite No. 477, and Jennetta Foster. February 27, 1907, the Commissioner rendered his decision denying the application for the enrollment of said child for the reason that sufficient information was not secured to determine whether or not said Jennetta Foster was a Creek citizen, or whether or not she and Noah Foster were married. Said decision was, on that date, forwarded to the Department. March 4, 1907, the parents of this child appeared before the Commissioner and gave testimony in the matter of its enrollment, from which it was found that the child's mother is enrolled upon the approved roll of Creek citizens opposite No. 3907, as Jennette Johnson, and on that day the Commissioner wired the Department as follows:

"Referring to Creek New Born case of Sallie Foster transmitted on February twenty-seven, nineteen hundred seven, together with decision denying for insufficient evidence, the parents of said child have this evening appeared and from their testimony mother is identified as Jennette Johnson opposite Creek Indian Roll No. thirty-nine hundred seven. I therefore recommend that the name of said Sallie Foster be this day placed upon Creek New Born schedule and approved. Child one year old. Sex female, blood full, card No. three hundred seventy."

"Fearing that the telegram would reach the Department too late, the Commissioner wired his employe then in Washington, calling his attention to the telegram which was quoted him, in order to secure, if possible, the enrollment of this child. The telegram probably not having reached the Department until after March 4, 1907, the Department, on that date (March 4, 1907), affirmed the Commissioner's decision."

Robert Bullocks, Creek Freedman New Born.

The mother of Robert Bullocks is Serena Bullocks, who, with her other children, Bessie Harris, Elsie Vincent and Lou Willie Bullocks, were first enrolled as Chickasaw freedmen, opposite Nos. 1873, 1894, 1895 and 1760, respectively, upon a schedule of Chickasaw freedmen approved by the Department December 18, 1902. The name of Robert Bullocks appears upon a schedule of Chickasaw freedmen approved by the Department October 15, 1903, opposite No. 4318. Serena Bullocks having elected to have herself

and children enrolled as Creek freedmen, Commissioner Sixty transmitted to the Department on October 26, 1905, the record of proceedings had in the matter of their application for enrollment as Creek freedmen, and expressing the opinion that they were clearly entitled to enrollment as Creek freedmen, recommended that their enrollment as Chickasaw freedmen be cancelled, and stated that when such action was taken "a decision enrolling them as Creek freedmen will be rendered." He also stated that there was, at the time of his report, no authority of law for the enrollment of the minor child, Robert Bullocks, as a citizen of the Creek Nation, and recommended that his enrollment at No. 4318 upon the final roll of Chickasaw freedmen be permitted to stand. Forwarding the report to the Department on September 14, 1906, (Land 38437-1906), the Commissioner of Indian Affairs concurred in the recommendation of Commissioner Sixty. October 31, 1906, (I.T.D. 73898-1906), the Department remanded the case to the Commissioner for readjudication in accordance with the law existing at that time. January 21, 1907, the Commissioner again forwarded the record to the Department and concluded his report as follows:

"If the said Robert Bullocks was living March 4, 1906, then he is a person entitled to make application for enrollment under the provisions of said Section (2 of Act of April 26, 1906), and in my opinion his application made August 22, 1902, should be considered as a continuing application requiring action thereon in the light of said Section 2 of the Act of April 26, 1906

I have therefore notified the mother of said Robert Bullocks, who is a minor, that if she desires the said Robert Bullocks to be enrolled as a Creek freedman, it is imperative that she immediately furnish proof that he was living March 4, 1906. In the event that such proof is furnished, I will prepare and transmit a decision similar to the decision transmitted herewith, containing an order cancelling his enrollment as a Chickasaw freedman, and will also transmit with said decision a separate schedule containing the name of Robert Bullocks.

In the event such proof is not furnished, and he is not enrolled as a Creek freedman, his enrollment as a Chickasaw freedman should, of course, be allowed to stand.

In forwarding the report to the Department the Indian Office, on February 21, 1907, (Land 90041-1907), concurred in the recommendation of the Commissioner, and on February 27, 1907 (I.T.D. 8722-1907), the Department approved the

enrollment of Serena Bullocks, Bessie Harris, Minnie Vincent and Lou Willie Bullocks as Creek freedmen, and granted authority for the cancellation of their names from the roll of Chickasaw freedmen. Their names appear upon the final roll of Creek freedmen opposite Nos. 5694 to 5697, inclusive.

From affidavits executed by Serena Bullocks February 9, 1907, and Mary Bullocks February 9, 1907, it is shown that said Robert Bullocks was born September 19, 1901, and was living on March 4, 1906. These affidavits apparently reached the Commissioner too late to report the case to the Department and secure the enrollment of this child as a Creek freedman now born and have his name stricken from the Chickasaw freedman roll.

Before this child is enrolled as a citizen of the Creek Nation, proper authority should be secured for the cancellation of his name at No. 4318, from the approved roll of Chickasaw freedmen. No application for the selection of an allotment of land in the Choctaw or Chickasaw Nation for said Robert Bullocks has been made.

MISSISSIPPI CHOCTAWS.

ACTS OF JUNE 28, 1928 (30 Stat., 490),
AND JULY 1, 1901 (32 Stat., 641).

Maggie Wickey (now John),
Billey Wickey,
Sam Wickey,
Bettie Russell Wickey,
Mollie Mass Wickey.

These applicants were embraced in the Mississippi Choctaw application of Nancy Wickey made at Meridian, Mississippi, April 28, 1901, for the identification of herself and said children, and also for her child, Lizzie Wickey, who died in the year 1902, as Mississippi Choctaw. Said Nancy Wickey was identified as a full-blooded Mississippi Choctaw May 17, 1904. September 25, 1904, the Commission to the Five Civilized Tribes denied the identification as full-blooded Mississippi Choctaw of the above-named children, and said decision was approved by the

Department December 13, 1904 (I.T.D. 12333-1904).

January 12, 1907 (I.T.D. 22-1907), the Department ordered a rehearing in the matter of the application of said Maggie Niskey, and on March 4, 1907, Commissioner Bixby wired the Department as follows:

"Referring to Departmental letter of January twelfth, nineteen seven (I.T.D. eighty-two-nineteen seven), ordering rehearing in application of Maggie Niskey, now Maggie John, for identification as Mississippi Choctaw, sufficient evidence has been received by me today to identify this applicant as fullblood Mississippi Choctaw, and such action has accordingly been taken on this date by me. Sufficient evidence is also on file with this office showing bona fide settlement within Choctaw-Chickasaw Country. Recommend that her name be placed on schedule of identified Mississippi Choctaws, and also on final roll of Mississippi Choctaws and approved by you today. Maggie Niskey is twenty years old, removed to Choctaw-Chickasaw Country in February nineteen hundred three, and submitted proof of settlement on February fifth, nineteen seven. Her name appears on Mississippi Choctaw card number nine hundred seventeen."

March 13, 1907 (I.T.D. 2210-1907), the Department advised the Commissioner that as the telegram was not received until March 5, 1907, "it is not considered that the Department has now the authority to place said Maggie Niskey, or Maggie John, upon the roll of Mississippi Choctaws."

On March 4, 1907, the Commissioner rendered his decision refusing the application of Linnie Niskey for identification, she having also been shown to be entitled to such identification, and granted the application for the identification of said Maggie, Billy, Sam, Bettle, Russell and Nellie Mass Niskey as fullblood Mississippi Choctaws. The Commissioner advised the Department of this action on March 5, 1907, and stated that

"Considering, however, the fact that but a few hours remained before the closing of the rolls of citizenship, no action was taken as to the notification of said parties as to their identification for the reason that the said Billy and Sam Niskey are residents of Paulding, Mississippi, Bettle Russell Niskey of Osceola, Mississippi, and Nellie Mass Niskey of Silverton, Mississippi, and it would have

been impossible for them to have removed and settled within the Choctaw-Chickasaw country and submitted proof thereof, as required by Section 41 of the Act of Congress approved July 1, 1902 (32 Stats., 641), within time for their enrollment to have been approved by you on March 4, 1907.

March 16, 1907 (I.T.D. 8510-1907), the Department in reply to the Commissioner's letter, stated that it had no authority to further act in the case.

I believe that authority should be granted for the placing of the name of Maggie Nickey upon the final roll of Mississippi Choctaws, and that upon her compliance with the law, a final allotment of land be given her. As to the other applicants first named, I believe that a reasonable time, say six months, should be given them within which to establish a bona fide residence in the Choctaw-Chickasaw country, and that upon the proof of such settlement they be enrolled as Mississippi Choctaws, and upon their compliance with the law as related to Mississippi Choctaws, they be given final allotments of land in the Choctaw-Chickasaw country.

Clamogene Furze,
Elizabeth Furze,

On February 27, 1907 (I.T.D. 4712, 4764, 4770, 5186, 5238, 5432-1907, 1608-1906, 4224-1907), the Department reversed the decisions of the Commission, and the Commissioner to the Five Civilized Tribes, dated March 30, 1904, and December 21, 1906, respectively, rejecting the applications of Clamogene and Elizabeth Furze, among others, for identification as Mississippi Choctaws, and ordered said applicants identified as such. In accordance with said decision the Commissioner, on March 2, 1907, rendered his decision identifying these applicants as full-blood Mississippi Choctaws. Said applicants were notified on March 2, 1907, of their identification as Mississippi Choctaws and advised of what action was necessary on their part to protect their rights. It is apparent that said applicants did not have time to remove to, and make settlement in the Choctaw-Chickasaw country, and to make proof of such settlement within time to have their enrollment approved by March 4, 1907.

Edna Shields, Barney Shields, Chickasaw by blood.

Applications for the enrollment as citizens by blood of the Chickasaw Nation were received by the Commission to the Five Civilized Tribes on December 31, 1903, for Edna Shields, born January 10, 1900; and on October 12, 1904, for Barney Shields, born October 1, 1901.

These applicants are the children of Simon and Nancy Shield (Shields), whose names appear opposite Nos. 637 and 263, respectively, upon the approved roll of citizens by blood of the Chickasaw Nation, and were living September 25, 1902.

Gilbert McKinney, Choctaw freedman.

Application was received on March 10, 1903, for the enrollment of this applicant as a Choctaw freedman. He was born September 2, 1860, and was living September 25, 1902, and is the child of Belling McKinney, whose name appears opposite No. 5828 upon the approved roll of Choctaw freedmen. The enrollment of Belling McKinney with his other four minor children was approved by the Department March 4, 1907, but the applicant, Gilbert McKinney, whose case was embraced in that of his father and sisters, was not enrolled. The Commissioner advised the Department in reference to this case in his letter of June 20, 1907, heretofore referred to.

John Dandard, Choctaw freedman.

Application was received December 30, 1903, for the enrollment of John Dandard, born December 10, 1860, and who was living September 25, 1902, as a Choctaw freedman. John Dandard is a child of Mary Dandard, whose name appears opposite No. 1462 upon the approved roll of Choctaw freedmen, and Belling Dandard, her husband, is upon the approved roll of Choctaw freedmen.

John Dandard, Choctaw freedman.

Application was received December 30, 1903, for the enrollment of John Dandard as a Choctaw freedman.

Said Della Chester was born May 1, 1902, was living September 25, 1902, and is a child of Hester Chester, whose name appears opposite No. 872 upon the approved roll of Chester freedmen.

Martha Ann Owens,
Henry Owens, Chester freedmen.

Applications were received December 25, 1902, by the Commission to the Five Civilized Tribes for the enrollment of Martha Ann Owens, born November 18, 1899, and Henry Owens, born January 26, 1902, and who were living September 25, 1902. These applicants are the minor children of Tom and Charlotte Owens, whose names appear opposite Nos. 2779 and 2780, respectively, upon the approved roll of Chester freedmen.

Sephas Liggins,
Roberta Liggins, Chester freedmen.

Applications for the enrollment of these children appear to have been received at the post office in Muskogee, Indian Territory, on December 25, 1902, and at the office of the Commission to the Five Civilized Tribes on December 26, 1902. There is, however, a note placed upon the applications for their enrollment to the effect that they were "received" December 25, 1902, but the question as to whether or not they were received within the time limited by the Act of July 1, 1902, was never determined by the Commission. They are the minor children of Ella Butler, whose name appears opposite No. 777 upon the approved roll of Chester freedmen; they were born July 12, 1900, and April 24, 1902, respectively, and were living September 25, 1902.

The applications of the above named applicants, except that of Roberta Liggins, for enrollment as children of the Chester and Chickasaw Nations appear to have been received

the late under the Act of July 1, 1902 to entitle them to enroll next under said act as citizens of said Nations. The applications were retained in the possession of the commission, but they appear to have never received consideration, except the case of Gilbert Hallman, after the passage of the Act of April 26, 1906, extending the time for the reception of applications for enrollment to December 1, 1906, or to have been discovered between April 26, 1906 and March 4, 1907.

ACT OF APRIL 26, 1906 (34 Stat., 137).

CHOCOLAY FREEDMAN AND WIFE.

Si Johnson,
Choclay Freedman.

Applications for the enrollment of these applicants appear to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906; they were born March 5, 1905 and May 2, 1906, respectively, were living March 5, 1906, and are children of Martin Johnson, whose name appears opposite No. 784 upon the approved roll of Choctaw Freedmen, and his wife, Mary Johnson, a non-citizen of said Nation. The Commissioner, on March 4, 1907, received sufficient information to show that these children were entitled to enrollment as minor Choctaw Freedmen, and on that day telegraphed the Department and recommended that their names be placed upon the roll. The case appears to have been received on March 5, 1907, and late for said children to be enrolled.

Marion Jones.

The application for the enrollment of this applicant appears to have been filed with the Commissioner to the Five Civilized Tribes on March 3, 1906. Marion Jones was born April 1, 1902, was living March 4, 1906, and is a minor child of Jim and Molly Jones, whose names appear opposite Nos. 1444 and 1445 respectively, upon the approved roll of Choctaw freedmen. Sufficient information was then that this child was entitled to enrollment was not received until March 4, 1907, and on that day the Commissioner telegraphed the Department and recommended that said child be placed upon the final roll of minor Choctaw freedmen. Said telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

Carl Harrison.

Willie Harrison.

It appears that applications were filed with the Commissioner to the Five Civilized Tribes on March 3, 1906, for the enrollment of Carl and Willie Harrison. They are the children of Thomas H. and Mary Harrison, whose names appear opposite Nos. 1403 and 1404, respectively, upon the approved roll of Choctaw freedmen. They are minors, aged about four and three years, respectively, and were living March 4, 1906. Sufficient information was not obtained until March 4, 1907, to determine the right of these children to enrollment, and on that day Commissioner Dixey advised the Department and recommended that their names be placed upon the approved roll of minor Choctaw freedmen; but the telegram appears to have not been received until March 5, 1907, too late for said children to be enrolled.

Ide Bird.

Application for the enrollment of this applicant seems to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906. Ide Bird was born about June 15, 1902, was living March 4, 1906, and is the child of Hopkins Hall, whose name appears opposite No. 434 upon the approved roll of Choctaw freedmen. Information from which to determine the child's right to enrollment appears not to have been received until March 4, 1907, when the Commissioner telegraphed the Department and recommended that the name of said child be placed upon the approved roll of minor Choctaw freedmen. Said telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

Estoria Hall.

Application for the enrollment of this applicant seems to have been filed with the Commissioner to the Five Civilized Tribes on March 5, 1906. Estoria Hall was born May 2, 1900, was living March 4, 1906, and is a minor child of Thomas Hall and Malinda Hall (enrolled as Malinda Jones), whose names appear opposite Nos. 8380 and 819, respectively, upon the approved roll of Choctaw freedmen. Information from which to determine the child's right to enrollment appears not to have been received by the Commissioner until March 4, 1907, when Mr. Birney telegraphed the Department and recommended that the name of said child be placed upon the approved roll of minor Choctaw freedmen. The telegram appears to have not been received until March 5, 1907, too late for said child to be enrolled.

**Andy Butler,
Georgina Butler.**

The application for the enrollment of these applicants under the provisions of the Act of April 26, 1906, was received July 28, 1906, and they were listed for enrollment on Freedmen Freedmen was born about No. 409, and the Commissioner telegraphed that the same was made for the enrollment of the children of "Freedmen of the Five Civilized Tribes." February 22, 1907, the Commissioner telegraphed

the application for their enrollment as Chickasaw freedmen in accordance with the approved opinion of the Assistant Attorney-General for the Interior Department dated November 15, 1906, holding that children of Chickasaw freedmen were not entitled to enrollment under the provisions of the Act of April 26, 1904.

In the caption of the application for the enrollment of these children it is recited that their father is a freedman of the Choctaw Nation, but in the affidavit of the mother as to the children's birth it is stated that their father is a citizen of the Chickasaw Nation. Andy and Georgann Butler were born October 17, 1902, and August 7, 1903, respectively, and are children of Charley Butler and Carrie Butler, whose name appears opposite No. 1716 upon the approved roll of Chickasaw freedmen. Subsequent to March 4, 1906, it was discovered that said Charley Butler is a duly enrolled Choctaw freedman, his name appearing opposite No. 2426 upon the approved roll of such citizens. Evidence of marriage on file with this office shows the lawful marriage of the parents of these children on April 19, 1900. The children were living on March 4, 1906, and were lawfully entitled to enrollment as Choctaw freedmen on March 4, 1907.

Hattie Burris,
Isaac Burris,
John Burris,

March 4, 1907, Commissioner Bixby rendered his decision granting the application for the enrollment as minor Choctaw freedmen under the Act of April 26, 1904, as amended by the Act of June 21, 1906 (No. 2426), and of Hattie, Isaac and John Burris. On that day the Commissioner telegraphed the Department of his action and recommended that their names be placed upon a schedule of minor Choctaw freedmen and approved by the Department. On that day he also addressed a letter to the Department confirming the telegram and transmitting the record of proceedings in the case. March 6, 1907 (I.D.O. 2806-1907), the Department advised the Commissioner that his telegram was not delivered until March 8, 1907, and no further action could be taken in the case.

These children were born, Hattie April 22, 1904, Isaac December 2, 1902, and John Burris January 22, 1904, are the legitimate children of Charley Burris, whose name appears opposite No. 4996 upon the approved roll of

Choctaw freedmen, and Etta Burris, a non citizen, and were living March 4, 1906.

There is also called to the attention of the Department, for such action as it desires to take, the Mississippi Choctaw case of Mitchell C. Adams, referred to in the Indian Office letter of September 18, 1907, special reference being made to his application for the identification of his minor children.

January 13, 1906, (I.T.D. 1314, 18094-1905), the Department approved the decision of the Commission to the Five Civilized Tribes dated January 19, 1905, denying the application of Mitchell C. Adams for the enrollment of himself and minor children, Lillie M., Nora M. and Mitchell C. Adams, Jr., as citizens by blood, and for the enrollment of his wife, Fannie C. Adams, as a citizen by intermarriage, of the Choctaw Nation. On March 3, 1907, Commissioner Bixby, having received a telegram dated March 2, 1907, from A. F. McGarr, who was an employe of the Commission then stationed in Washington, stating that the Department had directed the identification of Mitchell C. Adams, Lillie M. Adams, Nora M. Adams and William C. Adams (Mitchell C. Adams, Jr., died in 1898 or 1899), an Mississippi Choctaw, rendered his decision identifying them and on that day hired said employe of the Commission with

The Department's directions, and stated that as the records did not show that said persons had ever removed to and settled within the Choctaw-Chickasaw country, no action would be taken other than their identification. Subsequent to the rendition of said decision the Commissioner received the Department's decision in the case dated March 2, 1907 (H.T.D. 3749-1907), wherein the decision of the Commission of January 19, 1905, adverse to the applicants, was reversed except as to said Fannie C. Adams. This action was taken in accordance with the approved opinions of the Assistant Attorney General of February 20, 1907, and February 22, 1907. Said Mitchell C. Adams was ordered identified as a Fullblood Mississippi Choctaw Indian, and in connection with the identification of Adams' Children the Department states that:

"In the concluding paragraph of the above cited opinion it is recommended that no action should be taken looking to the enrollment of Adams' Family. This recommendation is approved only to the extent that they should not now be finally enrolled as citizens.

It is recommended with the approved opinion of the Assistant Attorney General of February 16, 1907, in the case of the Infant Children of William Charles, et al., dated on March 7 of the same year, April 22, 1906 that the children of Mitchell C. Adams are entitled to identification as Mississippi Choctaws, if said children were shown living on March 2, 1906.

It is recommended that the names of Fannie C. Adams, et al. and William C. Adams, et al. be placed on the list of Mitchell C. Adams, and that the same be enrolled as Choctaws.

Accordingly you are also directed to enroll Fannie C. Adams, et al. and William C. Adams, et al. as Mississippi Choctaws, and

Mitchell C. Adams resides at Bluefield, West Virginia, and it would have been impossible for him to have removed to and settled within the Choctaw-Chickasaw country and submitted proof of such settlement within time for his enrollment to have been approved by the Department on March 4, 1907.

The children of Mitchell C. Adams, being of the mixed blood, and no attempt being made to prove that they are the descendants of a beneficiary under the fourteenth article of the treaty of 1830, were not entitled to identification as Mississippi Choctaw Indians under the Act of July 1, 1904. It is not clear as to the right of these children under the Act of April 26, 1906, considering their case in the light of the Department's decision in the Nicholas Charles, et al., case above referred to, and its decision of May 28, 1906 (L.T.D. 3086, 1906-1908, 3022-1906), in the Willis Willis case. Had Mitchell

C. Adams, after his identification as a Mississippi Choctaw Indian, made proof of settlement within the Choctaw-Chickasaw country and been duly enrolled as a Mississippi Choctaw, and his enrollment approved by the Secretary of the Interior, his said children would have been entitled to enrollment under the Act of April 26, 1906, as amended by the Act of June 21, 1906, as the children of a duly enrolled Mississippi Choctaw Indian, provided they were persons living March 4, 1907.

The Commissioner's decision in this case of March 3, 1907, is inclosed; the record in the case was transmitted to the Department October 21, 1906.

The records of proceedings in a number of the above cases have been heretofore forwarded, and, with the date of the letter of transmittal, are as follows:

Callie Foster, Greek New Bern,	February 27, 1907.
Elmwood Farm, et al., Mississippi Chester (in consolidated case of Harry Soloff, et al., H.C.R. 1270).	December 21, 1906.
Gilbert McKinney, Chester Freedman, (in case of William McKinney, et al.)	February 28, 1907.
Hattie Burris, et al., Chester Freedman New Bern,	March 4, 1907.
Mitchell C. Adams, et al., Mississippi Chester,	October 21, 1906.

The records in the other cases above referred to are transmitted herewith.

Respectfully,

Dear Sir:

In the matter of the enrollment of your daughter, Mary Walker, as a freedman of the Cherokee Nation, it does not appear that any evidence as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return to the Commission the enclosed blank affidavits.

In having the same prepared be careful to see that all blank spaces are properly filled, all names written in full, and that the notary public before whom the affidavits are sworn to affix his name and seal to each separate affidavit. In case any statements are made that must be attested by two disinterested parties, witnesses thereto.

This matter should receive your immediate attention as well. This information is rendered hoping further may be done in the future of the enrollment of this child as a freedman of the Cherokee Nation.

Very truly,

Walter Walker.

Wesley Shale,

Dear Friend:

It does not appear from the records of this office that evidence of the birth of your son, Tony Shale, has been filed with the Commission. There is enclosed herewith a blank application for enrollment of infant children. In having the same submitted to you, I hope to see that all blanks are properly filled, all names written in full, and that the notary public before whom the affidavits are acknowledged attests his name and office and subscribes his name to each application. It is also necessary to have the name of the child as it appears on the birth certificate. At such time as the same is necessary to determine the rights of your said son as a Cherokee Indian and no further action can be taken relative to his final enrollment as long as such information is supplied.

Respectfully, your truly is enclosed herewith.

Very truly,
Sincerely,

Commissioner of the Bureau of Indian Affairs.

"No, I could never know what it was," I said. He said and pointed to the letter. I was like to walk away from the door of the vest. And because it was free, he said. He was wearing a tan-colored short-sleeved t-shirt, blue cotton pants and half-moon, light-colored sneakers. A big sweat rag tied around his neck.

and he went on like that again and said "There you go, you'll be just as free as I am. There is no more."

Then Marso Howell sat down on the bench.

Do I have to be free today?
I asked.

"Do you want to be free today,
or do you want to stay with me a
while? You get used to your new
freedom."

"I'd like to stay a few days," I said. Then a look of fear came over me. It was the first time I had ever seen Master Howell cry. He wiped his face quickly with his handkerchief and said, "You've been a good boy, Charles, never caused me any trouble. The plantation would be kinda lonesome without you! Then something within me rebelled. I didn't want to be free. I didn't want to leave the old plantation where I had been fed and clothed and sheltered all my life. I was afraid. I didn't say I want to be free. I wait a while."

Then he laughed out loud, and said, "All right, on the bright side my wife has a new dress on."

.. THERE wasn't any matches, so I ran and got the sun-pass and focused it over his pipe until it lit. I noticed his hands were trembling and that made me more willing to work that day. I felt sorry for him, he lost an many places.

When I was young we had many slaves
slaves when there was so much
change around during the ad-
justment days, we moved to the
Swain farm which is now the
Swain farm, then to Wewack and
stayed two years. In 1869 I was 17
years old and began to feel "man-
hood". I had two brothers named
General Lee Bibbs and Lemmon
Butler Bibbs. They were born before
me and the Civil war. They grew
up and got modern and learned
how to make railroad ties. They
enjoyed their freedom.

Uncle Charlie laughed and clasped his long black tapering fingers over his knee and said: "But I got my first lie to make I always lied to Lord father. Don't you, look after the sheep and calves."

I would like to go past the White House which was built by George Washington. After World War II did something else he found that it seems there are in the world's position to get up to them. It makes everybody that they're free kinds of people. When I used to come to the past down the Hill trail, I always took off my hat and announced "Hello!" something really old I got past it; I saw Abraham Lincoln and John C. Calhoun and Rev. A. A. Phelps - the abolitionists.

To Celebrate Mistah Lincoln's Birthday

If you want to know what Abraham Lincoln was like, ask Uncle Charlie Bibbs, 80-year-old Negro of Valliant, Okla. He can tell you. And more than that he intends to celebrate Lincoln's birthday by singing spirituals on the steps of the old Wheelock church, on Fort Towson trail.

"Remember Lincoln? Well I should say so! I was a young sprout when he was president, but I heard more about him and learned more about him than I did my own mother. All the slaves talked about him all the time; we looked upon him as sort of a God who would some day set us free. We loved our masters, but we all wanted to be free."

Then he continued: "Americans are good at remembering. They remember Pearl Harbor and Abraham Lincoln and everything and everybody that is worth remembering. That's the reason we have a great country. We have hearts that respond to things outside of military goose-stepping, back-stabbing, and false promises. We don't bury great men, then forget them. Yessum, I know all about Lincoln." He sat there on the front porch of his little shack in an old home-made chair. His head was shaped like Lincoln's, he had a Charles Evans Hughes beard, and his intelligence amazed me. His face was clear brown and his white teeth glinted when he laughed.

A POLITICAL button was shining from the lapel of his reddish-brown wool vest. "Are you interested in politics this early," I asked.

"No—um; I don't even know who this is. I just took it and pinned it on because I kinda like to wear somethin' in the lapel of my vest. And because it was free," he grinned. He was wearing a tan cotton shirt, striped trousers, blue cotton socks, and half-laced, high top shoes, with a big sweat rag tied about his neck.

When asked what day Lincoln's birthday happened to be, he cast a suspicious look at me. "What? Whinny everybody livin' in America knows when Mistah Lincoln's birthday is! You ain't no axe man is you?" he continued in a huffed voice. "You don't look like no German and you don't look like no Jap."

When asked that Lincoln's birthday automatically registered in the minds of every true American, a forgiving smile played over his face. He took a snuff-stick from his white hair, just above his ear, pulled

out a bottle of snuff from his pocket, then put it back quickly. "Fardon me, I forgot. I like to have offered you a dip of snuff."

"Dis is Abe," he said as he patted a little mongrel dog on the head. The dog kept playing around his chair. "I named him after Mistah

Uncle Charlie Bibbs

Lincoln. "I got Lincoln's picture hanging in there," he pointed inside his cabin. "I wish I had Massa Cal Howells to hang right side of it. He was a great man too."

Then he explained how Cal Howells, his owner, was might nigh ruined when the slaves were all set free. "I was playin' in the yard when Massa Howell called me to him. He looked at me and with a sorry smile said: 'Charlie, you're going to be free—just as free as I am.'"

I couldn't grasp the meaning of "free." It was too big for me. And I asked, "Just what-all does that mean?"

This made Massa Howell laugh and he waved at me again and said: "Pony here on, you'll be set as free as I am. Free to go where you please and do what you please. But you'll have to make your own living and take care of yourself."

Then Massa Howell sat down on the porch.

"Do I have to be free today?" I asked.

"Do you want to be free today, or do you want to stay with me a while till you get used to your new freedom?"

"I'd like to stay a few days," I said. Then a terrible feeling came over me. It was the first time I had ever seen Massa Howell cry. He wiped his face quickly with his handkerchief and said, "You've been a good boy, Charlie; never caused me any trouble. The plantation would be kinda lonesome without you." Then something within me rebelled. I didn't want to be free. I didn't want to leave the old plantation where I had been fed and clothed and sheltered all my life. I was afraid. "I ain't sure I want to be free. I'll wait a while."

"Then he laughed out loud, and said: 'All right then; come light my pipe like you been doing.'"

THERE wasn't any matches, so I ran and got the sun-glass and focused it over his pipe until it lit. I noticed his hands were trembling, and that made me more willing to work that day. I felt sorry for him, he lost so many slaves.

"Later, when there was so much changing around during the adjustment days, we moved to the Pichin farm, which is now the Swink farm, then to Wheelock and stayed two years. In 1889 I was 17 years old and began to feel 'man-nish.' I had two brothers named General Lee 'Bibbs' and Lemon Butler Bibbs. They were born 'twixt me and the Civil war. They grew up and got modern and learned how to make railroad ties. They enjoyed their freedom."

Uncle Charlie laughed and clapped his long black tapering fingers over his knee and said: "But I got my first tie to make. I always liked to tend cattle. Drive cows; look after the sheep and calves."

"I used to drive the cows past the old Wheelock mission which was founded 20 years before I was born. Rev. Alfred Wright also did do something when he founded that mission. It stands there in the woods a-pointin' its spire up to heaven. It makes everybody that passes there feel kinda reverent-like. When I used to drive the cows past it down the little trail, I always took off my hat and commenced singin' something religious till I got past it. I guess Abe Lincoln and Massa Calvin Howell and Rev. Alfred Wright might be a-listenin' when I sing my spirituals Thursday."

Dear Madam:

In the matter of the enrollment of your daughter, Annie Gibson, as a freedman of the Choctaw Nation, it does not appear that any evidence as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return to the Commission the enclosed birth affidavits.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the notary public before whom the affidavits are sworn to affixes his name and seal to each separate affidavit. In case any signatures are by mark they must be attested by two disinterested parties, witnesses thereto.

This matter should receive your immediate attention as until this information is received nothing further can be done in the matter of the enrollment of this child as a freedman of the Choctaw Nation.

Respectfully,

E. C.

Dear Sir:

Receipt is hereby acknowledged of your letter of the 15th inst., stating that you recently forwarded to this office proof of the birth of your minor daughter, Victoria Walker and no acknowledgment of its receipt has ever been made to you.

Antlers, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a citizen of the Choctaw Nation of Melvina Pickens, the infant daughter of Henry and Cassie Pickens, born February 7, 1900, and the same is returned to you herewith for additional information as to the parents of this child.

From our records, it appears that a Henry Pickens, fifty-six years of age, was, on May 8, 1899, together with Florence Harris, listed for enrollment as a Choctaw Freedman. If you are the person who was so listed, and appears as the father of the child in this application, you will so inform the Commission.

It is stated in the affidavit of the mother of this child that her name is Cassie Pickens, that she is thirty-eight years of age, and a citizen by intermarriage of the Choctaw Nation.

It does not appear from our records that any person by this name has ever been listed for enrollment as a citizen by intermarriage of the Choctaw Nation.

If your wife is a non-citizen colored woman, it will be necessary in the matter of the application for the enrollment of your child, that the Commission be supplied with either the original or a certified copy of your marriage license and certificate to Cassie Pickens.

I.P.#2.

Upon receipt of the information requested and of the marriage license and certificate, and the return of the application, the matter of the enrollment of your child as a Choctaw Freedman will receive proper consideration.

Yours truly,

Acting Chairman.

Dear Sir:

Receipt is hereby acknowledged of your letter of July 30, 1906, asking if children born to freedmen in 1903 and 1906 are entitled to land; you also state that you married your wife according to Choctaw law and ask if you are entitled to select an allotment for her.

In reply to your letter you are advised that there is now no provision for the enrollment of children born to Choctaw and Chickasaw freedmen subsequent to September 25, 1902.

Dear Sir:

Receipt is hereby acknowledged of your letter of March 25, 1906, asking when to come to submit proof of your right to enrollment as a citizen by blood of the Choctaw Nation.

In reply to your letter you are advised that it does not appear from the records of this office that application has been made for the transfer of your name from the roll of Choctaw freedmen to the roll of citizens by blood of said nation and as it appears that your father Solomon James was a free citizen and your mother Melvina James was a slave, it is not apparent that you are entitled to enrollment as a citizen by blood of the Choctaw Nation.

That portion of your letter referring to enrollment of yourself and your child has been made the subject of another communication.

Sincerely,

John C. Thompson,

In the matter of the enrollment of your grand-son, Warwick Price, as a freedman of the Choctaw Nation, it does not appear that any evidence as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return to the Commission the enclosed blank affidavits.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the Notary public before whom the affidavits are sworn to affix his name and seal to each separate affidavit. Dear Madam:--

It appears from the records of this office that on February 12, 1906, there was filed with the Commissioner to the Five Civilized Tribes a petition praying for the transfer of the name, among others of your minor child, Pearlle Hills, from the roll of Choctaw freedmen to the roll of citizens by blood of the Choctaw Nation, but there was no proof of birth filed for your said minor child, Pearlle Hills.

In order that the rights of your said minor child, Pearlle Hills, may be properly determined you are advised that it will be necessary for you to furnish this office with proof of birth of said minor child and in order to assist you in this matter, there is enclosed herewith blank proof of birth which you should have properly executed and return to this office not later than January 25, 1907.

This matter should receive your prompt attention and your neglect or failure to furnish the required proof may deprive your said child of such rights to enrollment as a Choctaw freedmen as such child may have.

Dear Madam:

In the matter of the enrollment of your daughter, Amy Butler, as a freedman of the Choctaw Nation, it does not appear that any evidence as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately fill out and return to the Commission the enclosed blank affidavits.

In having the same executed be careful to see that all blank spaces are properly filled, all names written in full, and that the solitary words before each the affidavits are given by a father his name and seek to each separate affidavit. In each one signatures are to have them must be attested by two disinterested parties, witnesses thereto.

This matter should receive your immediate attention as until this information is received nothing further can be done in the matter of the enrollment of this child as a freedman of the Choctaw Nation.

Your attention is invited to the following provision of section thirty-four of the act of Congress approved July 1, 1902, which was ratified by the citizens of the Choctaw and Chickasaw Nations September 25, 1902:

Louisa Wilson,
Garrett's Bluff, Texas.

Dear Madam:

It does not appear from the records of this office that evidence of the birth of your daughters, Annie and Gertrude Wilson, has been filed with the Commission. There are enclosed herewith two blank applications for enrollment of infant children. In having the same executed be careful to see that all blanks are properly filled, all names written in full, and that the notary public before whom the affidavits are acknowledged attaches his name and seal to each affidavit. Signatures by mark must be attested by two disinterested witnesses. This evidence should be furnished at once as the same is necessary to determine the rights of your said daughters as Choctaw freedmen and no further action can be taken relative to their final enrollment as such until this information is supplied.

An envelope for your reply is enclosed herewith.

Respectfully,

Commissioner in charge.

Dear Madam:

Receipt is hereby acknowledged of your letter of April 30, 1907, relative to making application for the enrollment of your brother Mose Thompson who is of unsound mind; you thought he was dead, but now find out that he is not; you state you think your mother enrolled him at one time; that he is now incompetent to attend to his own business and you ask what steps to take to get him on the roll.

In reply to your letter you are advised that it does not appear that any application has been made by or on behalf of Mose Thompson for enrollment as a citizen of the Choctaw or Chickasaw Nation, and in this connection your attention is invited to the following provisions of the Act of Congress approved April 26, 1906:

"That after the approval of this Act no person shall be enrolled as a citizen or freedman of the Choctaw, Chickasaw, Cherokee, Creek, or Seminole tribes of Indians in the Indian Territory, except as herein otherwise provided, unless application for enrollment was made prior to December first, nineteen hundred and five, and the records in charge of the Commissioner to the Five Civil-

"That the rolls of the tribes affected by this Act shall be fully completed on or before the fourth day of March, nineteen hundred and seven, and the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person after said date."

In the matter of the application for the enrollment of
Osborn Timpson as a Choctaw freedman.

-: D E C I S I O N :-

It appears from the record herein that on May 8, 1896,
application was made to the Commission to the Five Civilized
Tribes for the enrollment, among others, of Osborn Timpson as a
Choctaw freedman.

Although ample opportunity has been afforded the appli-
cant to show by satisfactory evidence that he is entitled to
enrollment as a Choctaw freedman, he has failed to do so.

I am of the opinion that following the ruling of the
Department in the case of Eliza J. Bryant, et al. (I.T.D. 844-
1904), William Rector (I.T.D. 1468-1904), Minnie Lamban, et al.
(I.T.D. 1470-1904), Samantha Chambers (I.T.D. 2898-1904),
William (I.T.D. 4320-1904), Wm. Ross (I.T.D. 5038-1904),
Florence Bratcher (I.T.D. 15882-1904) and Frankie Grinnett (I.T.D.
17902-1905), the application for the enrollment of Osborn Timpson
as a Choctaw freedman should be denied and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Nancy Fulson, et al., as Choctaw freedmen.

D E C I S I O N.

It appears from the record herein that on June 4, 1900, application was made to the Commission to the Five Civilized Tribes for the enrollment of Nancy Fulson and her minor children, Vacey Clayton (nee Graves), Cora Graves, Lula Fulson and Ada Fulson, as Choctaw freedman. The application for the enrollment of Vacey Clayton (nee Graves) has heretofore been dismissed, inasmuch as said applicant died prior to September 25, 1902.

It further appears from the record herein that Nancy Fulson was born subsequent to the War of the Rebellion, and is the daughter of Wyley Homer, whose name (as Wyley Homer) appears opposite No. 1076 upon the final roll of Choctaw freedmen approved by the Secretary of the Interior April 8, 1903, and Phillis Factor, ~~whose application (as Phillis Factor) for enrollment as a Choctaw freedman was denied by the Commissioner to the Five Civilized Tribes September 26, 1905, and approved by the Secretary of the Interior October 19, 1905;~~ that Cora Graves is the minor daughter of Nancy Fulson and Wesley Graves (now deceased), who during the War of the Rebellion was the slave of a Choctaw Indian; that Lula and Ada Fulson are the children of Nancy Fulson and Cooper Fulson, whose name appears opposite No. 1850 upon the final roll of Choctaw freedmen approved by the Secretary of the Interior April 8, 1903; and that all of said applicants were residents in good faith of the Indian Territory on June 28, 1898.

I am, therefore, of the opinion that Nancy Fulson, Cora Graves, Lula Fulson and Ada Fulson should be enrolled as Choctaw freedmen under the provisions of the Acts of Congress approved June 28, 1898 (30 Stats., 495), and July 1, 1902 (32 Stats., 641), and it is so ordered.

Dear Sir:

It does not appear from the records of this office that evidence of the birth of Gertrude Hampton, your infant daughter, has been filed with the Commission. There is enclosed herewith a blank affidavit for enrollment of infant children, which you should have completed and return in the enclosed envelope which requires no postage.

In having the same filled out be careful to see that all blanks are properly filled out and signed in full, and that the notary public before whom the affidavit is acknowledged affixes his name and seal to each affidavit. Signatures by mark must be witnessed by two disinterested witnesses. This affidavit is necessary to the issue of the certificate of your child, Gertrude Hampton, and to the issue of the deed of land to her. The same is required in the case of all other children of the same blood.

Dear Sir:

Your letter of the 12th inst., addressed to the Secretary of the Interior, has been by him referred to this Commission for consideration and appropriate action. Therein you request to be advised relative to the enrollment of yourself and family.

You are informed it appears from our records that Green Shields, now about 34 years of age, of Goodland, Indian Territory, has been duly enrolled as a Choctaw Freedman and his enrollment as such approved by the Secretary of the Interior, April 5, 1903.

You are further advised it appears from our records that Rose Shields and her minor children, Fannie, Frances, Sarah and Mary Willett, and Florence Shields, have been listed for enrollment as Choctaw Freedmen, but their names have not yet been placed upon a schedule of such Freedmen to be forwarded to the Secretary of the Interior.

Respectfully,

Commissioner of the Interior

Green Shields,

Hugo, Indian Territory.

Dear Sir :-

Receipt is hereby acknowledged of your letter of the 1st inst., enclosing the affidavit of Ross Shields, relative to the birth of your minor son, Garfield Shields, September 4, 1899, which it is presumed has been forwarded to this office as an application for enrollment of said child as a Choctaw freedman.

Receipt is also acknowledged of the affidavits of Green Shields and Raster Burke, relative to the death of Garfield Shields, April 29, 1903.

It appears from the affidavit of Ross Shields that Garfield Shields was born prior to the ratification, September 30, 1902, of the Act of Congress approved July 3, 1902, but it does not appear from our records that any application was ever made to this Commission for his enrollment, within the time prescribed by said Act of Congress. Therefore, under the provisions of said Act, the Commission is without authority to receive or consider any application for the enrollment of said child.

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a Choctaw Freedman of Milton Jackson, infant son of Henry and Caroline Jackson, born March 7, 1861, and the same being in proper form has been filed with the records of the Commission, and the said listed for enrollment as a Choctaw Freedman.

McIntosh, Indian Territory, October 11, 1902.

Caroline Jackson,

Ansley, Indian Territory.

Dear Madam:

It does not appear from the records of this office that evidence of the birth of Willie Jackson, son of Henry and Caroline Jackson, has been filed with the Commission. There is included herewith a blank application for enrollment of infant children. In having the same executed be careful to see that all blanks are properly filled, all correspondence is full, and that the story which follows when the affidavits are acknowledged attaches his name and seal to each affidavit. Signed as such must be attached to the corresponding evidence. This evidence is necessary in the matter of the enrollment of your son, Willie Jackson, as a Mexican Indian, and no further action relative to his claim and payment as such can be taken until the same is supplied.

An envelope containing no return is included herewith.

Respectfully,
Commissioner.

Wakarusa, Indian Territory, January 21, 1906.

Charles Jackson,

Wakarusa, Indian Territory.

Dear Sir:

In the matter of the enrollment of your son, Alvin Jackson, as a resident of the Cherokee Nation, it does not appear that any evidence as to the birth of this child has ever been filed with the Commission. You should, therefore, immediately file and return to the Commission the required birth certificate.

In having the same returned to you, it is to be noted that all blank spaces are properly filled, all names written in full, and that the date of birth is given as the 10th day of June, 1905. This is the date of the child's birth, and is correct. It is not, however, the date of the child's enrollment, and should be corrected.

Very truly yours,
Commissioner of the Cherokee Nation.

Washington, Indian Territory, January 22, 1908.

Samuel Jackson,

Lawyer, Indian Territory.

Dear Sir:

In the matter of the enrollment of your children, John
Frank Jackson, Frank Jackson and Ed Jackson, per application
made by you on January 1st, 1908, of the Indian Bureau,
Department of the Interior, at Washington, D.C., on January 1st,
1908, and the same were enrolled as follows:

John Frank Jackson, immediately before the enrollment
of your children, were enrolled as your sons, and the
same are now enrolled as your sons, and the same are now
enrolled as your sons.

Very respectfully,
Your obedient servant,
Samuel Jackson.

Dear Sir:

Receipt is hereby acknowledged of your letter of November 2, 1904, in which you state that you were registered sometime in 1898 by your father and you wish to know the status of your enrollment in the Choctaw Nation.

In reply to your letter you are informed that John Gant, now about twenty-six years of age, the son of John Gant, deceased, and Caroline Jackson, has been enrolled by the Commission as a Native American, and his enrollment approved by the Secretary of the Interior June 12, 1904. If you are the same John Gant referred to and will give further information relative to the time and place of enrollment and how far from Waskogen, you are, and the names of your parents, the matter of your inquiry will receive further attention.

Dear Sir:

Receipt is hereby acknowledged of your affidavit relative to the land you desire to select in allotment for your two sons, and the same is herewith returned to you for the reason that the Commission has at this time no means of recording the selections of the citizens and freedmen of the Choctaw and Chickasaw Nations. Upon the establishment of land offices in the Choctaw and Chickasaw Nations the citizens and freedmen of these two tribes can appear at the land office in the nation in which they wish to locate and make application for the land they desire to select in allotment.

It will be also announced for the opening of the land office at the same time as the same is fixed, and notice thereof will be given through the public press.

Dear Sir:

In the matter of the enrollment of your son, William Butler, as a freedman of the Choctaw Nation, it has not appear that any application to the clerk of said land has ever been filed with the Commission. You should therefore immediately fill out and return to the Commission the required blank affidavits.

In having the same returned to me it is now that all blank affidavits are being prepared, all those written in full and that the country justice before whom the affidavits are made up of them his name and position must be written thereon. The affidavits are signed by the justice before whom the affidavits are made up of them.

Yours, respectfully,

This letter should receive your immediate attention as well that information is received from the Commission to the effect that the enrollment of the land is now being made up of them.

In the matter of the application for the enrollment of
Amelia Mays as a Choctaw freedman.

--: D E C I S I O N :-

It appears from the record herein that on May 9, 1899, at Goodland, Indian Territory, William Mays appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and his two minor children, William Mays Jr. and Amelia Mays, as Choctaw freedmen.

It further appears from the record herein and from the records of this office that the names of the said William Mays and his son, William Mays Jr., appear opposite No. 1109 and 1110, respectively, upon the final roll of Choctaw freedmen, approved by the Secretary of the Interior April 8, 1903; that the applicant, Amelia Mays was born May 25, 1896, and is the legitimate child of said William Mays and Lula Mays, nee Moore, a non-citizen; and that said applicant was living on September 25, 1902.

I am, therefore, of the opinion that Amelia Mays should be enrolled as a Choctaw freedman under the provisions of the Acts of Congress approved June 28, 1898 (30 Stats., 495) and July 1, 1902 (32 Stats., 641), and it is so ordered.

Dear Sir:

It does not appear from the records of this office that evidence of the birth of Amelia Hays, daughter of William and Lula Hays, has been filed with the Commission. There is inclosed herewith a blank application for enrollment of infant children. In having the same executed be careful to see that all blanks are properly filled, all names written in full, and that the notary public before whom the affidavits are acknowledged attaches his seal and seal to each affidavit. Signatures by mark must be attested by two disinterested witnesses.

It is also necessary that the Commission be supplied with evidence of the marriage between you and your wife, Lula Hays, in order to determine the rights of this child. You should forward the original marriage license or a certified copy thereof, or furnish other legal proof of the marriage.

The evidence of birth of the child and the marriage of William and Lula Hays is necessary in the matter of the enrollment of Amelia Hays as a Native American, and no further action can be taken pending the receipt of such evidence as will establish the facts.
